Training Event Planning Guide

**L. Fleming Fallon Jr., Charles R.
McConnell**

Training Event Planning Guide:

Training Event Planning Guide Graham Roberts-Phelps, 1998 What do you want your delegates to remember most about your course the quality and content of the programme or the buffet lunch Or put it another way which is more important the content and delivery of a course or the administration of a course When you think of it in these terms it is clear that both are equally important Training Event Planning Guide starts from this premise and aims to help you ensure that both your training delivery and your course administration are flawless Its practical mix of tips plans and checklists cover every aspect of the who how what where and when of a successful event So whether you re a line manager preparing for a thirty minute team meeting PA to the sales director preparing the annual conference administrator for a large training department or an experienced trainer preparing a three day residential for senior managers Training Event Planning Guide will save you time money effort and stress

Drug Abuse Training Resource Guide National Institute on Drug Abuse. Division of Training, 1982

Events Management Glenn A. J. Bowdin, Johnny Allen, Rob Harris, Leo Jago, William O'Toole, Ian McDonnell, 2023-07-31 A must have introductory text of unrivalled coverage and depth focusing on events planning and management the fourth edition of Events Management provides a complete A to Z of the principles and practices of planning managing and staging events The book offers a systematic guide to organising successful events examining areas such as event design logistics marketing human resource management financial planning risk management impacts evaluation and reporting The fourth edition has been fully updated and revised to include content covering technology including virtual and hybrid events concepts such as social capital soft power and events social inclusion equality accessibility and diversity and the latest industry reports research and legal frameworks The book is logically structured and features new case studies showing real life applications and highlighting issues with planning events of all types and scales in a range of geographical locations This book has been dubbed the events management bible and fosters an interactive learning experience amongst scholars of events management tourism and hospitality

Human Resource Management in Health Care Charles R. McConnell, 2019-10-10 Written for practitioners and students in health related disciplines this practical hands on guide to human resources covers such topics as recruitment compensation and benefits training termination legal issues labor unions and more Each chapter is introduced by a case study related to the material that follows The case study is resolved by the end of each chapter and includes expert commentary and practical suggestions that can be used in the real world Chapters also feature learning objectives questions for review and discussion key terms and spotlight on customer service Numerous examples sample forms and documents are also included The Third Edition includes new employment related legislation and case law including the Health Insurance Portability and Accountability Act HIPAA a new chapter on the impact and effect of social media more in depth and updated treatment of privacy and sexual harassment expanded discussion of succession planning and much more

Human Resource Management in Health Care L. Fleming Fallon Jr., Charles R.

McConnell,2013-08-16 This book introduces human resources to practitioners and students in all disciplines related to health care and health service It covers important topics such as recruitment training termination legal issues labor unions and more Each chapter is introduced by a case study related to the material that follows and is resolved at the conclusion of each chapter along with expert commentary and practical suggestions that can be used in the real world Many examples and a number of sample forms and documents are included This edition has been re organized to reflect a better chapter flow and organization and offers all data updated throughout a new section on health care legislation a new section in each chapter Customer Service Box that emphasizes the importance of customer service in the context of the material presented in the chapter and completely revised instructor ancillary material *Encyclopedia of Development Methods* Andrzej Huczynski,2018-05-08 This title was first published in 2001 This title was first published in 2001 The core of this thoroughly revised book is a directory of more than 700 methods Each entry typically comprises an explanation a bibliography and cross references Other features include a review of different approaches to classifying the methods and two valuable appendices the first is to help practitioners analyse their methods the second providing details of relevant books journals and other information sources *Events and Sustainability* Andrew Smith,Judith Mair,2022-09-05 This book examines the links between events and sustainability with a particular focus on how festivals and events contribute to making places more inclusive resilient and sustainable Previous sustainability research in events often focused on reducing the negative environmental impacts with a corresponding lack of consideration of socio economic dimensions More recently research has begun to consider events in relation to a range of economic and social issues highlighting the growing importance of examining events through a critical lens This book adopts a critical and broader approach to event sustainability arguing that scholars should examine how events might contribute to sustainable development rather than merely exploring how individual events could be made more sustainable Accordingly the contributors to this edited book address how events might change attitudes and behaviours by promoting sustainable lifestyles communities and technologies Following a detailed introduction the book features 16 chapters written by scholars from across the world The chapters in this book were originally published as a special issue of the Journal of Sustainable Tourism *A Pre-event Recovery Planning Guide for Transportation* Patricia Bye,2013 TRB s National Cooperative Highway Research Program NCHRP Report 753 A Pre Event Recovery Planning Guide for Transportation is designed to help transportation owners and operators in their efforts to plan for recovery prior to the occurrence of an event that impacts transportation systems The guide includes tools and resources to assist in both pre planning for recovery and implementing recovery after an event NCHRP Report 753 is intended to provide a single resource for understanding the principles and processes to be used for pre event recovery planning for transportation infrastructure In addition to the principles and processes the guide contains checklists decision support tools and resources to help support pre event recovery planning Publisher description *Subject Guide to Books in Print* ,1991
