Voice For Princess:

Princess's Embarrassed Revenge Yi ShiJiu,2020-09-22 In his previous life Shu Qing as the direct daughter of the Prime Minister was sent to a suburban manor and only returned at the age of 15 Since the day she returned to the residence she wrongly trusted the evildoers Her life was always in the calculations of others She had no talent or virtue was vulgar unchaste and sold her country to the common enemy When a basin of sewage was poured onto her body she actually fell to the point of dying a horrible death without anyone taking her corpse away Fortunately the heavens had the eyes to let her live a new life and return to before she married the ungrateful one However her reputation had long been completely ruined by her vicious stepmother and little sister Shu She was already the laughing stock of the entire capital If she wanted revenge she still had to take it step by step In her previous life she would never let anyone who bullied her get away with torturing her She swore to let those people taste the pain that was inflicted on her body
