[Cyber Hygiene for the Digital Age: Building Resilient Habits for a Safer Online Life 2025](#) AUTHOR:-SUDHA RANI PUJARI, PREFACE In today s interconnected world cybersecurity is no longer a luxury but a necessity With our personal professional and financial lives increasingly conducted online the risks associated with digital activities are more prevalent than ever However many individuals and organizations still overlook the importance of securing their digital assets often assuming that cybersecurity is a concern for IT specialists alone This book aims to challenge that belief and allow every reader to take control of their digital security The idea for this book came from years of

hands on experience in the cybersecurity field where I have witnessed the consequences of neglecting basic digital hygiene From simple password errors to inadequate protection of home networks the vulnerabilities people face is often preventable Throughout my career I have seen the damage caused by cyber attacks but I have also seen the power of active security measures in mitigating these risks This book is designed for individuals at every level of technical proficiency Whether you are just beginning to explore the world of cybersecurity or you have been in the field for years the aim is to provide practical accessible guidance that you can apply immediately Each chapter focuses on essential cybersecurity topics from everyday cyber hygiene to securing your home network and protecting children online Real world case studies and expert insights are included to help illustrate key points and highlight the impact of good or bad security practices I hope that by reading this book you will gain the knowledge to secure your digital world and the confidence to implement these practices in your everyday life Cybersecurity is not just about complex technical defenses it is about making wise decisions in the face of everyday digital threats The journey to better digital security begins with understanding the risks and taking small deliberate steps to mitigate them Whether securing your personal devices or protecting your business the practices shared here can help create a safer digital environment for you and your loved ones

Young Creators Alex R. D. Morgan, 2026-03-11 Your imagination Your rules Your game You have spent hours playing Roblox You know what makes a great game what keeps you coming back what makes you call your friends over what makes a round feel legendary Now it is time to stop playing other people s games and start building your own Young Creators is the complete guide to building two full Roblox games from scratch a Tycoon and a Hide and Seek experience written for players aged 10 to 16 who are ready to become developers No prior coding experience required No boring theory Just real projects real scripts and real games you can publish and share before you finish the book What you will build A complete Tycoon design a dropper and collector economy script a four tier upgrade system save player progress with DataStores and build a world that visually transforms with every upgrade purchased Your empire grows every time a player comes back A complete Hide and Seek game build a five zone map with twenty or more hiding spots script a full round system with automatic Seeker and Hider assignment add NPCs that populate the world between rounds and design a multiplayer experience that creates moments players will talk about long after the round ends What you will learn By the time you publish both games you will understand economy design and progression loops multiplayer architecture and round systems DataStore saves and persistent player data NPC building and Humanoid scripting GUI design and RemoteEvent communication audio design and game feel and how to read real analytics to make both games better These are not Tycoon skills or Hide and Seek skills They are game development skills and they belong to you forever Why two games Because the fastest way to become a real developer is not to build one game deeply It is to build two games that are as different from each other as possible and discover that the same skills scripting designing playtesting publishing produce completely different results depending on what you are trying to make The Tycoon teaches you how to

keep one player coming back Hide and Seek teaches you how to make a group of players create stories together Both lessons matter Neither can replace the other What makes this book different Most game development books teach you tools This book teaches you thinking Every system is explained not just as code to copy but as a design decision to understand why the upgrade is priced this way why the hiding phase freezes the Seeker why the analytics number means what it means Understanding the why turns a developer who can follow instructions into a developer who can build anything The book is project driven from the first chapter to the last You are never learning a concept in isolation you are always learning it because you need it right now to build the thing in front of you Theory arrives at the moment it becomes useful Not before By the end of this book you will have Two complete published Roblox games on your profile Real player analytics from two different game genres A design journal full of decisions reflections and plans for your next project The scripting vocabulary to read write and debug Luau with confidence A clear understanding of what you want to build next and exactly why Young Creators is Book Two of the Roblox Game Dev Build Launch Grow series by Alex R D Morgan Book One Build Your First Roblox Game walks complete beginners through building and publishing their first Obby Book Three Level Up introduces RPG design Simulator architecture advanced DataStore patterns and monetisation for developers ready to go further You do not need to have read Book One to start here If you have played Roblox and you are ready to build something real this is your book For ages 10 and up Roblox Studio required free All projects build toward two published games Also in this series Build Your First Roblox Game Book One Level Up Book Three coming soon Studio Pro Book Four coming soon
