

Looking Beyond Structural Adjustment

Structural Adjustment? Have you ever asked yourself the question what are we adjusting from? What are we adjusting towards?

Structural Adjustment from what to what?

Adjustment out of the post-colonial development priorities (1960-1980) towards the options of adjusting to global capitalism and private sector led development (1980-the present)

Post-Colonial Development Strategies	Structural Adjustment (Suited to Private capital)
Nationalization	Privatization
Protection of Labour	Reduction in the power of Labour
State intervention towards equity, protection of vulnerable groups	Rolling back of the state
Pursuit of Social Policies eg. Education, Health, Housing	Reduction in Social Spending due to concerns about an over-burdened Public Sector etc.
Protection/encouragement of local business class	Facilitation of Foreign Investors
Emphasis on Progressive Taxation to facilitate state-directed projects	Emphasis on 'tax cuts' for capital, less emphasis on state-directed interventions and greater emphasis on 'trickle-down' economics and private sector led activities
