**The Mystery of the Strawman** Donald Craig Miller,2024-10-28  
It all began for detective Jake Jezreel with the discovery of an ancient letter A lost never before seen letter The inscription was a message from Jake s father from fifteen years before Happiness and sorrow were intertwined in that note But deep within the cipher rested a hidden menace from the dark past The menace was a criminal only identified as Strawman In fifteen years where had Strawman hidden himself Jake hadn t a clue what had happened to Strawman But in short order Jake Jezreel was about to find out And he will also discover that Strawman has a much more grandiose crime in mind than all his previous penny ante criminalities Soon after this discovery Jake is hired to deliver a pastoral letter for the Senior Pastor in the Jerusalem church Pastor James The letter would later become known as The Epistle of James The first destination for the letter is the coastal city of Caesarea the capital of Judea Upon arrival Jake encounters someone with a distant association to his past And in the process the detective uncovers a devious plot to assassinate one of the key personalities in the city during the Roman holiday celebration of Parilia Time is running out Jake is called in by the local authorities to discover and thwart the unseen unknown perpetrators But Jake has only a day and a half to ferret out the murderous gang before the Parilia celebration begins There is only one mysterious note as a clue It is signed Strawman

**Straw Man Arguments** Scott Aikin,John Casey,2022-02-10 This book analyses the straw man fallacy and its deployment in philosophical reasoning While commonly invoked in both academic dialogue and public discourse it has not until now received the attention it deserves as a rhetorical device Scott Aikin and John Casey propose that straw manning essentially consists in expressing distorted representations of one s critical interlocutor To this end the straw man comprises three dialectical forms and not only the one that is usually suggested the straw man the weak man and the hollow man Moreover they demonstrate that straw manning is unique among fallacies as it has no particular logical form in itself because it is an instance of inappropriate meta argument or argument about arguments They discuss the importance of the onlooking audience to the successful deployment of the straw man reasoning that the existence of an audience complicates the dialectical boundaries of argument Providing a lively provocative and thorough analysis of the straw man fallacy this book will appeal to postgraduates and researchers alike working in a range of fields including fallacies rhetoric argumentation theory and informal logic

Media Violence and Children Douglas A. Gentile,2014-09-30 Stripping away the hype this book describes how when and why media violence can influence children of different ages giving parents and teachers the power to maximize the media s benefits and minimize its harm There are many opinions about media violence and children but not all are supported by science In this book the top

experts gather the latest results from 50 years of scientific study as the basis for a comprehensive in depth examination of the complex issues surrounding the effects of media violence of different types Each chapter focuses on a particular issue of concern including hot topics such as brain development cyber bullying video games and verbal aggression Articles take into account factors such as economics differences based on the ages of children and differences between types of media violence This book provides the information parents and those who work with families need to make the best choices It includes chapters specifically relevant to the types of bullying schools have the most trouble identifying and controlling Most importantly the writing is both intelligent and accessible so that parents educators pediatricians and policymakers can understand and apply the findings presented
