

WHAT IS FAITH?

Faith is a deep belief or trust in something or someone, even without concrete evidence or tangible proof.

It is based on inner conviction and may be related to religious, spiritual, or personal aspects.

Faith involves trusting in something or someone beyond what can be scientifically proven.

It is a force that drives us to believe in what we cannot see and to maintain hope even in difficult situations.

Faith can provide comfort, inspiration, and motivation, and can be a source of strength and guidance in life.
