The Student Dictionary:

Webster's Student Dictionary, 1974 Webster's New Student Dictionary, 1964 **Oxford Student's Dictionary**
Robert Allen, Andrew Delahunty, 2007 The Oxford Student's Dictionary contains 50 000 cross curricular words and phrases including technical vocabulary for the student aged 11 years It also includes 10 000 word origins synonyms and usage notes The easy pronunciation guides style and subject labels and derived words all makethis an excellent dictionary for the KS3 student

A Student's Dictionary & Gazetteer Colista Moore, 2006 **The Student's English-Sanskrit Dictionary** Apte, 1893 **Webster's Student Dictionary**, 1951 The Students' Dictionary of Synonyms and Antonyms Lloyd Adams, A.B., M.A., 1930 **The Facts on File Student's Dictionary of American English** Cynthia A. Barnhart, 2014-05-14 The first purpose of any student's dictionary is to provide the basic information necessary to be able to understand a meaning decipher a pronunciation make a correct syllable break and employ vocabulary appropriate to a particular situation The Facts on File Student's Dictionary of American English is designed to provide such information as accurately concisely and clearly as possible Its modest entry list of about 90 000 words includes the vocabulary most of us use every day in ordinary writing and encounter in reading a newspaper novel magazine or online article The dictionary also includes a selection of widely used new terms in English from science and technology to contemporary American culture The design is exceptionally user friendly Each entry of the standard vocabulary has been evaluated and revised according to current usage Unlike other dictionaries including collegiate this dictionary features long entries that have been trimmed to their core meanings shades of meanings are illustrated by phrases or sentences that follow a definition rather than by different definitions entirely The result is a reliable easy to use guide to the English language

Collins Student's Dictionary Collins Dictionaries, 2011 The Collins Student's Dictionary in colour is specially written for students aged 14 for use in class and at home and is based on the requirements of the National Curriculum The content is informed by the requirements of the National Curriculum for students aged 14 at Key Stage 4 and above or at Level 5 and above in their studies This edition contains a feature on overused words encouraging students to seek variety n their vocabulary choice Help is also given with choosing the correct vocabulary for speaking and writing and with judging how formal words may be The Survival Guide to English helps students ensure the language they use fits the context and is suitable for their audience and purpose and offers help with writing clearly and effectively including in exams Now with a sturdy hardback cover this edition of the Collins Student's Dictionary is ideal for carrying between home and school

The Student's Practical Dictionary of Idioms, Phrases and Terms, 1904

The Student's Dictionary of Anglo-Saxon Henry Sweet, 1928 **The Student's Dictionary of Anglo-Saxon** Henry Sweet, 2016-02-07 The student who entered the border lands of Old English by the way of an early edition of Sweet's Anglo

Saxon Reader learned through a painful experience that the path was not smooth or easy To the inevitable difficulties of what then seemed to him arbitrary variations of vowels and consonants there was added the inconvenience of a partially non alphabetic arrangement of vocabulary He was not yet able to refer words to normal types and he had sometimes much difficulty in knowing where even a normal type was to be found Consulting the vocabulary seemed almost like playing a game of chance where success might depend upon scanning the whole list of words beginning with one initial letter with even then a chance of failure through some unaccountable inadvertence Later editions of Sweet s Reader have recognized some of the defects of former ones and have made the student s task easier by arranging the words for the most part alphabetically so that now when Dr Sweet has issued The Student s Dictionary of Anglo Saxon we are prepared not only to find the book critical and scholarly but also to hope that it is simple in its plan and helpful even to the beginner The need of an Old English dictionary to replace the inadequate Bosworth had previously been supplied by the Bosworth Toller Dictionary completed since Sweet s and by that of Dr Hall published in 1894 under the title A Concise Anglo Saxon Dictionary for the Use of Students Dr Sweet states in his preface that he undertook this work at the request of the Delegates of the Clarendon Press who felt the want of an abridgement of the large Anglo Saxon dictionary still in progress What place does this latest dictionary fill Confessedly it does not undertake to replace the Bosworth Toller of which it is an abridgment though with such modifications and emendations of matter as Dr Sweet s investigations enable him to make Whose needs is it meant to supply The title would seem to indicate that it is to be used by the college student and by the reader who does not require the fuller information the references and examples which a large dictionary gives that it is especially designed for him who asks help for the ordinary reading of Old English where the object sought is the immediate understanding of a text At the same time we are led to believe that the purpose was to give it such critical exactness and such carefully chosen content as to make it a necessity to all Old English scholars JEGP Journal of English and Germanic Philology Vol 2

The New International Webster's Student Dictionary of the English Language Trident Press International,2002 Webster's New World Dictionary for Young Adults ,1992 An illustrated general dictionary of the English language containing approximately 50 000 entries etymologies abbreviations geographical names and other features
