*The Time of Your Life* Robert L. Randall, 1994 Randall exposes mass market books that propose one minute management techniques that offer one size fits all prescriptions or that treat symptoms instead of causes Instead he presents a compelling case for living the time of your life by taking care of yourself First he shows that time management problems are actually caused by a fragmentation within a leader s personality and not by having too many things to do The loss of the self leads to a loss of direction or a loss of stability Randall sets forth a useful chart for the levels of self time management that helps the leader place the self on any given day One person might be living in ambulatory time Another might be operating for

revealed time Randall teaches the leader how to do self assessment Then in separate chapters he shows how self time management will lead to more fulfilling and care oriented preaching more effective and wise church administration and above all the most helpful and healing pastoral care that a minister can offer Redeeming the Time Gregory Tyree,2013-06-14 One of the key difficulties that Pastors face is time management The tyranny of the urgent clouds their judgment and eats away their time leaving little time and energy to focus on the important which is not always urgent The application of the principles in this book will help the Pastor reclaim his time and better lead his church and family I believe that poor time management I prefer to call it life management is a key obstacle to success and happiness in the ministry In this book I tackle four major points 1 reasons many pastors are poor time managers 2 some time wasters that if identified and overcome can contribute to success 3 a few tips for saving time and 4 some time management tools The ultimate outcome of good time management is more effective and enjoyable ministry **Starting Right** Chap Clark,Kenda Creasy Dean,Dave Rahn,2001 This is among the very few academic textbooks on youth ministry that blends solid research with real life experience It is an excellent resource for undergraduate or graduate courses in youth ministry or for youth workers who want to ground their ministry in solid theology *The Youth Ministry Resource Book* Eugene C.
