Time Runs Out:

When Time Runs Out Elina Hirvonen, 2017-10-19 The world is on the brink of catastrophe. If we lose hope in a better future, what are we left with? A young man is shooting people from a rooftop in downtown Helsinki. An unsuspecting mother is confronted with a horrifying scenario; she is powerless to stop. A sister can only watch events unfold from afar. Over the course of a day, one family fractures, and with lives at stake, each member must examine everything that brought them to this moment. But this crisis goes beyond their small lives. Aslak is not the only boy on a rooftop with a gun today. He is part of an international group set on stopping environmental disaster by killing as many of those they deem responsible as they can. Can a desperate mother reconcile her complicated feelings towards her son and reach him in time to stop a catastrophe? This is the story of the lives on the brink and finding hope in the face of despair.

When Time Runs Out Gerald Roche, 2021-11-19 Would-be journalist Ted Travis is unemployed, homeless, and depressed almost to the point of suicide. Discouraged ingenue Debbie Kessler is more than ready to start over for the third time in her life. Charismatic evangelist John January is convinced that a global catastrophe of biblical proportions is imminent. A thousand Believers, hearing salvation in the young evangelist's words, converge at a pastoral outpost in the Rockies. When terrorists initiate a horrific chain of events, the Believers seek the safety of a homemade sanctuary. They emerge three years later to a strange new world. With John January leading the way, they undertake a tortuous journey that culminates on the other side of the world, where they are confronted by the consummate personification of evil and its army of malevolent miscreants. The Believers' magnificent odyssey is one of courage, conscience, spirit, and faith, with the fate of all mankind hanging in the balance.

Time Runs Out Eddie R. Porter, 2011-07-19 Life in 1967 was simple in small-town America until the local bank is robbed and one teenager was able to identify a potential suspect. While searching for the thieves, the local basketball team was on a roll, winning games and was a serious contender to win the conference championship. One teenager named Porter is pursued by the bank robbers who intend to do away with him as a potential witness, and a couple of local teenagers are on his trail to make sure he does not date their girlfriends. The ending is a thriller, and everything up to that point has Porter considering whether he can survive.

But as the final incursion looms, will the Avengers, Illuminati, and Cabal band together to save what they can or destroy one another? And have all the battles they've endured and the sacrifices they've made prepared either group for the inevitable moment where time runs out and the Secret Wars begin? The final act of the astonishing climax to Jonathan Hickman's legendary run is here. Collecting *Avengers* 2012 43-44 and *New Avengers* 2013 31-33.
