strategic actions to sustain highly competitive performance It is these actions which lead to the competitive advantages that  
seal a company s fate Without even a small competitive advantage on their side businesses are doomed to stumble and  
eventually be left along the wayside of their industry A globalized economy has opened new doors of opportunity for  
organizations that is certain Customers can now be solicited around the globe Thanks to technology communication that once  
took days if not weeks to transact now can be accomplished instantaneously Geographic and cultural boundaries have begun  
to become invisible as a world economy develops However just as there are new opportunities to be taken advantage of new  
threats have arisen as well In the rapidly changing environment that organizations now must operate in traditional human  
resources approaches have become of less value Strategic human resource systems are now receiving renewed attention as a  
means of building and strengthening business Chiavenato 2001 Human resources have become increasingly important in  
today s organizational strategies especially in the improvement of individual competencies Although there is a variety of ways  
an organization can pursue sustainable competitive advantage this paper will frame its discussion within the context of  
Human Resource Management HRM strategies in the form of value initiatives directed at the improvement of individual  
performance In this context value initiatives are only a positive addition to an organization s strategic arsenal when they  
improve the performance of the individual members They are worth the effort only when they enrich individual actions It
