The Memo Rachel Dodes, Lauren Mechling, 2024-06-18 The perfect summer read a novel both quick and funny Airmail A total joyride of a novel The Memo is a funny fascinating exploration of love friendship ambition and what it truly means to live a good life I loved it J Courtney Sullivan New York Times bestselling author of Commencement Maine and Friends and Strangers If you could rewrite your life story would you dare That's the question at the heart of this funny sharp and propulsive debut novel about love life and a woman finding herself and what it means to be happy and successful Do you ever feel like your life doesn't measure up to everyone else's and wonder if you just didn't get the memo helping you make the right choices Jenny Green dreads her upcoming college reunion Once top of her class the thirty five year old finds herself stuck in a life that isn't the one she expected Her promising career has flamed out literally and her deadbeat boyfriend is cheating on her again All her friends seem to have it all figured it out enjoying glittering lives and careers that she can only envy from the sidelines Did she just not get the memo they all did As it turns out she didn't When she arrives at her alma mater for the festivities she receives a text from an unlisted number Jenny Green please collect your memo Somewhere on campus a discreet female led organization provides comprehensive memos to select students a set

of instructions that are a blueprint for success The first time around Jenny didn't receive hers Now she's being given the second chance she wants an opportunity to relive her life and make all the right decisions this time around But at what price Smart addictive bittersweet and ultimately triumphant The Memo will enchant readers of In Five Years and Cassandra in Reverse as well as fans of Emma Straub and Maria Semple [The Lost Art of Connecting: The Gather, Ask, Do Method for Building Meaningful Business Relationships](#) Susan McPherson, 2021-03-23 Named a Best Business Book of 2021 by Soundview Magazine Reclaim the power of genuine human connection Networking is often considered a necessary evil for all working professionals With social media platforms like LinkedIn Twitter Instagram and Facebook at our disposal reaching potential investors or employers is much easier Yet these connections often feel transactional agenda driven and dehumanizing leaving professionals feeling burnt out and stressed out Instead we should connect on a human level and build authentic relationships beyond securing a new job or a new investor for your next big idea To build real and meaningful networking contacts we need to go back to basics remembering that technology is a tool and more than just a means to an end We need to tap into our humanity and learn to be more intentional and authentic As a serial connector and communications expert Susan McPherson has a lifetime of experience building genuine connections in and out of work Her methodology is broken down into three simple steps Gather Instead of waiting for the perfect networking opportunity to come to you think outside the box and create your own opportunity Host your own dinner party join a local meet up group or volunteer at your neighborhood food pantry Ask Instead of leading with our own rehearsed elevator pitches asking for help ask to help opening the door to share resources experience contacts and perspectives that add diversity to your own vision Do Turn new connections into meaningful relationships by taking these newly formed relationships deeper Follow through on the promises you made and keep in touch Woven together with helpful tips and useful advice on making the most out of every step this book draws on McPherson's own experience as a renowned serial connector as well as the real life success stories of friends and clients Filled with humor humility and wisdom The Lost Art of Connecting is the handbook we all need to foster personal and professional relationships that blur the lines between work and play and enrich our lives in every way

Breaking into Venture: An Outsider Turned Venture Capitalist Shares How to Take Risks, Create Power, and Build Life-Changing Wealth Allison Baum Gates, 2023-03-07. Unparalleled insight into how the powerful, profitable and exclusive industry of venture capital works, especially for those who are not already part of the club. Although most people know nothing about them, venture capitalists are the small yet elite group of people funding and shaping world-changing technology businesses like Google, Facebook, Uber, and Amazon. In an increasingly technology-driven world, understanding how to harness the power of venture capital can lead to unimaginable money, power, and influence. Whether you're an aspiring investor, entrepreneur, or career-focused business professional, this book will teach you how this historically exclusive and incredibly lucrative industry actually works. Through a combination of the author's real-life stories coupled with insights from other elite venture investors from unexpected backgrounds, *Breaking into Venture* draws the curtain on what it takes to break into venture capital, navigate the hidden pitfalls that insiders know to avoid, and build a long-term winning strategy that plays to your unique strengths. Drawing on her background building multiple successful venture funds and teaching venture capital at world-class business schools on both coasts, Allison Baum Gates shares the nine fundamental principles that lead to success in VC, providing everything you need to navigate the rapidly changing technology landscape. By learning how venture investors think, you'll unlock your own potential, whether you're looking to make angel investments, develop and launch a successful business, or create the career of your dreams. *Breaking into Venture* covers every angle, including: The three keys to success in venture capital; accessing great opportunities; analyzing which ones to pursue and adding value post-investment; How to build a relevant network from scratch; The importance of writing your own narrative that communicates who you are and inspires people to help you get what you want; How to avoid falling victim to your own biases when choosing opportunities; Details on how VCs evaluate companies during their due diligence process. This game-changing guide democratizes the VC world by showing the ropes to those who aren't already part of the in-crowd, aren't already wealthy, or don't even know where Sand Hill Road is. With *Breaking into Venture*, you will have everything you need to leverage the power of venture capital for investing or career success. Leipziger Blätter, 2010. **Coworking Around the World** T.S. Avini, 2025-08-06. Embark on a global journey of productivity and adventure with *Coworking Around the World*, a
