## **The Goodby People:**

**The Goodby People** Gavin Lambert,1971      **The Goodbye People** Gavin Lambert,2000 Long before the term Generation X was coined Gavin Lambert captured the seedy landscape of Los Angeles in absolute moral and physical decay The Goodbye People is a danse macabre with a group of ill assorted people who are always changing their addresses and phone numbers as well as their lives In an atmosphere of self indulgence blight and emptiness they revolve around one another weaving together their dreams and nightmares to create a complex pattern of despair The beautiful people who populate Lambert s novel are both the very rich and the very poor what intrinsically links them is an all pervading sense of aimlessness First published in 1971 The Goodbye People is an enduring classic and one of the most incisive takes on Hollywood ever written With The Slide Area Inside Daisy Clover and Running Time The Goodbye People forms a revelatory Hollywood Quartet of lives in one of the most extraordinary cities in the world      **The History of Forgetting** Norman M. Klein,2008-08-17 Los Angeles is a city which has long thrived on the continual re creation of own myth In this extraordinary and original work Norman Klein examines the process of memory erasure in LA Using a provocative mixture of fact and fiction the book takes us on an anti tour of downtown LA examines life for Vietnamese immigrants in the City of Dreams imagines Walter Benjamin as a Los Angeleno and finally looks at the way information technology has recreated the city turning cyberspace into the last suburb In this new edition Norman Klein examines new models for erasure in LA He explores the evolution of the Latino majority how the Pacific economy is changing the structure of urban life the impact of collapsing infrastructure in the city and the restructuring of those very districts that had been forgotten      **Mainly about Lindsay Anderson** Gavin Lambert,2000 Lindsay Anderson was the most original British filmmaker and theatrical director of his generation His films If O Lucky Man and Britannia Hospital created a Human Comedy of life in Britain during the second half of the twentieth century and were witty daring and often prophetic This Sporting Life and O Lucky Man made Richard Harris and Malcolm McDowell international stars The Whales of August provided Lillian Gish Bette Davis and Ann Sothorn the opportunity to give extraordinary farewell performances He also directed notable documentaries in several countries in Britain the Academy Award winning Thursday s Children about a school for deaf mute children in Poland The Singing Lesson a personal impression of a group of students at a drama school In China he recorded the 1985 concert tour by George Michael and Andrew Ridgeley of WHAM As a theatre director he collaborated with playwright David Storey on a series of successes The Contractor The Changing Room In Celebration Home and he worked with such actors as John Gielgud Ralph Richardson Alan Bates Albert Finney Helen Mirren Peter O Toole Joan Plowright and Rachel Roberts Anderson was as well an outspoken and sometimes ferocious critic of British films and of Britain itself He was the author of the most important and acclaimed book on John Ford And he was one of Gavin Lambert s closest friends for more than fifty years Lambert s book begins with his and Anderson s days as movie struck schoolboys becoming fast friends growing up in the shadow of World

War II He shows us their postwar creation of and collaboration on the influential magazine *Sequence* a magazine that was produced on love and a shoestring and which shook up the British film world with its admiration for both Hollywood noir and MGM musicals at the time unfashionable genres and its celebration of such directors as Ford Bunuel Cocteau Vigo and Sturges He describes how both men rebelled in opposite directions Anderson remaining in England Lambert leaving in 1958 for Los Angeles and traces their unorthodox paths through the film industry An illuminating multifaceted portrait of a friendship of postwar moviemaking on both sides of the Atlantic and mainly of the remarkable Lindsay Anderson [The Dazzling Paget Sisters](#) Ariane Banks,2025-04-29 For fans of Nancy Mitford's *The Pursuit of Love* this is the real life story of Celia and Mamaine Paget devoted twins whose lives and loves traversed the intellectual currents and crises of mid twentieth century Europe Rupert Christiansen After the prominent London literary socialite Celia Goodman nee Paget died in 2002 her daughter Ariane Banks inherited a battered trunk stuffed with letters and diaries that belonged to Celia and her identical twin sister Mamaine This correspondence charted two remarkable lives spent amongst a remarkable cast of characters who were at the heart of their age including Arthur Koestler Albert Camus Jean Paul Sartre Simone de Beauvoir and George Orwell Throughout a secluded childhood in the country with their widowed father boarding school and Swiss finishing school they remained inseparable As debutantes they took 1930s London by storm rejecting conventional suitors in favor of life together amongst the city's bohemian intelligentsia During the war and after they were at the side of Europe's foremost intellectuals as coworkers close friends and lovers This captivating memoir is an intimate portrait of a lost age and the male thinkers who dominated it as seen through women's eyes Above all it's the tale of two devoted sisters remarkable women both ***The People's Bible*** Joseph Parker,1885 ***The Way to Colonos*** Kay Cicellis,2025-12-30 A modern Greek classic written in an ageless prose that instantly strikes the reader as the work of a master Rachel Cusk from the foreword First published in 1961 *The Way to Colonos* reworks three plays by Sophocles in a modern day setting probing their characters with savage intimacy Antigone wheeling her father onto the ferry to Colonos is a stylish woman in her thirties disgusted by her father's self absorption guilt and evasions A suburban Electra dreams of a bloody confrontation with her mother that may never come to pass The myth of Philoctetes the castaway soldier is reframed as a story of shifting allegiances in a guerrilla war that divided Greece after World War II As Rachel Cusk writes in her foreword to this new edition the first in sixty years Cicellis was a woman before her time whose work written in English her second language offers shocking insight into the secret lives of young women and is only now free to reach readers with an appetite for female artistic authority who wish to see the world through sharp fresh eyes *The Pilgrimage* John Broderick,2025-03-04 An erotic nightmare and classic of modern Irish literature Wealthy and devout Michael and Julia Glynn are the envy of their neighbors and the model Irish Catholic couple bearing Michael's increasingly painful and crippling arthritis with stoicism In hope of a miracle their priest suggests a family pilgrimage to Lourdes Yet these pious holiday plans are thrown into doubt when anonymous obscene

letters begin to arrive full of terrible accusations Banned in Ireland on its first publication in 1961 Broderick's debut arrived like an incendiary device Sunday Independent The Pilgrimage anticipated the deep shifts that would soon turn the country's theocratic society upside down It is a darkly comic blasphemous and sexually charged chamber drama laying bare the hypocrisies of a small Irish town as watchful as the jungle and teetering on the brink of catastrophe In the words of Colm Tóibín in his foreword to this edition The Pilgrimage cleared a space in the jungle so that its wildness could be more easily seen

**The Unspeakable Skipton** Pamela Hansford Johnson, 2025-09-09 It's not easy being a genius Just ask Daniel Skipton the greatest or let us say the most under recognized novelist of his generation Skipton is only a few revisions away from finishing his masterpiece a satire of literary London that will humiliate his enemies and make him as famous and as rich as he deserves Yet in the meantime he is forced to scrape by in obscurity and self imposed exile amid the deserted canals of Bruges barely surviving on a regimen of blackmail bullying persistence and native charm One afternoon at a local cafe he encounters the acclaimed playwright Dorothy Merlin and her entourage worldly tourists on the lookout for erotic adventure and in need of a local guide Soon they are joined by an even juicier target a Venetian count who dreams of singing on the English stage and who will spend anything to make his dream come true Or so he leads Skipton to believe Too long out of print in the U S The Unspeakable Skipton belongs on the shelf beside the best work of Nancy Mitford or Muriel Spark As Michael Dirda writes in his foreword it is a dark chocolate treat deliciously witty and bittersweet *The People's Bible: Matthew III* Joseph D.
