The Gorbachev Era:

The Gorbachev Era Alexander Dallin, Condoleezza Rice, 1986 *Steeltown, USSR* Stephen Kotkin, 1991 Kotkin offers the reader an unsurpassed portrait of daily life in the Gorbachev era From the formation of informal political groups to the start up of fledgling businesses in the new cooperative sector from the no holds barred investigative reporting of a former Communist party mouthpiece to a freewheeling multicandidate election campaign the author conveys the texture of contemporary Soviet society in the throes of an upheaval not seen since the 1930s **Ten Years That Shook The World** Valery Boldin, 1994-03-20 Boldin remained a progressive communist loyalist to the end and he finally broke with his master in the vain hope that the Union could be saved *The Other Side of Arms Control* Alan B. Sherr, 2020-11-19 How does the Soviet Union view the costs and benefits of nuclear arms control What factors motivate Soviet negotiations with the Western world on this crucial issue And what precisely does the Soviet Union hope to accomplish through nuclear arms control Originally published in 1988 *The Other Side of Arms Control* provides an in depth examination of this too infrequently discussed aspect of the arms race and the ongoing negotiations to halt it In *The Other Side of Arms Control* Alan B Sherr argues that the time is now right for significant substantive progress to be made on nuclear arms control the Soviet leadership under Mikhail Gorbachev has demonstrated greater flexibility and willingness to compromise on a number of difficult issues including verification But more important circumstances within and outside the Soviet Union now make progress on arms control crucial to Soviet political and economic goals as well as foreign policy objectives Written in accessible nontechnical language *The Other Side of Arms Control* will be of historical interest to students teachers policymakers and others concerned with the future of nuclear arms control **Steeltown, U. S. S. R.** Stephen Kotkin, 1991-04 *Gorbachev at the Helm* R.F. Miller, J.H. Miller, T.H. Rigby, 2024-04-12 *Gorbachev at the Helm* 1987 analyses the policy decisions taken at the 27th Congress of the Communist Party of the Soviet Union in February March 1986 declared at the time by the Soviet government as a major turning point in Soviet history It considers the importance of the changes for a number of policy areas and from a variety of perspectives The authors examine the degree to which the policy initiatives and associated personnel changes brought about by Gorbachev in certain key areas domestic politics general economic policy and administration agriculture ideology and foreign policy constitute substantial innovations

The Warsaw Pact, 1985-1991- Disintegration and Dissolution Matej Bily,2022-12-30 This book analyzes the last phase of the Warsaw Pact based on unusually large scale archival research conducted in many countries Focusing on the changes in the organization s functioning after Mikhail Gorbachev came to power in the Soviet Union the author examines the role played by the Warsaw Pact in the final stages of the Cold War as well as exploring the deepening conflicts between individual member states which resulted from the changing international situation and Gorbachev s initiatives to reform the East European state socialist dictatorships The book argues that the causes of the rapid dissolution of the Warsaw Pact in the early 1990s were due to many complicated factors not simply the collapse of communist power in Eastern Europe factors such as the loss from early in the second half of the 1980s of important internal ties and the failure to create new ties disputes between individual member states and the questioning of the overall legitimacy of the organization which was indispensable for its effective functioning The book also highlights the impact of external pressures and developments on the international scene Overall the book reveals how an apparently robust and solid multilateral organization can so quickly and unexpectedly disappear The Soviet-east European Relationship In The Gorbachev Era Aurel Braun,1990-02-26
