**Hourly History**

## **The Great Famine:**

The Great Famine John Percival,1995 Discusses the potato famine that struck Ireland in 1845 resulting in the starvation deaths of over a million Irish citizens the displacement of thousands and the immigration of over one million to America and Australia *The Great Famine* Hourly History,2019-06-11 The Great Famine The Great Famine which afflicted Ireland from 1845 to 1849 was one of the most catastrophic events in Europe during the nineteenth century More than one quarter of the population of Ireland died of starvation or associated disease or were forced to emigrate Ireland after the famine was a completely different country in many ways The direct causes of the famine are simple to understand a large part of the population of Ireland mainly the poorest families had become completely dependent on the potato as a source of food In 1845 the blight appeared a disease which affected the potato crop Successive failures of the potato crop in Ireland led to more than one million people dying as a direct result What is less easy to understand is why this famine was confined to Ireland and why the British government did not do more to help The potato blight affected parts of Great Britain and other countries in Europe but nowhere else did it lead to famine For much of the famine food continued to be exported from Ireland and at its height there was food stored in warehouses which could have been used to alleviate the suffering of the starving that it was not represents at the very least a complete failure of understanding on the part of the British government Inside you will read about Farming in Ireland The Blight Arrives Full blown Famine Mass Emigration Poor Laws Revolt and the Return of the Blight Aftermath and Legacy And much more The Great Famine left a legacy of distrust and animosity between large segments of the population of Ireland and Great Britain and this in part led to the movements which finally produced Irish independence The famine also left a deep impression on the psyche of the people of Eire and even today Ireland remains at the forefront of international famine relief This is the story of the Irish Potato Famine *The Great Irish Potato Famine* James S Donnelly Jr,2002-11-01 In the century before the great famine of the late 1840s the Irish people and the poor especially became increasingly dependent on the potato for their food So when potato blight struck causing the tubers to rot in the ground they suffered a grievous loss Thus began a catastrophe in which approximately one million people lost their lives and many more left Ireland for North America changing the country forever During and after this terrible human crisis the British government was bitterly accused of not averting the disaster or offering enough aid Some even believed that the Whig government s policies were tantamount to genocide against the Irish population James Donnelly s account looks closely at the political and social consequences of the great Irish potato famine and explores the way that natural disasters and government responses to them can alter the destiny of nations The Great Famine John Gibney,2018 The Irish potato famine of the 1840s the Great Famine or An gorta m r is one of the defining events in modern Irish history Over a five year period a population of 8 2 million was reduced to 6 5 million through starvation disease and emigration The famine permanently changed one of the constituent parts of the United Kingdom as it then stood and its legacies of depopulation

socio economic and cultural change political resentment and the expansion through mass emigration of an Irish diaspora in Britain North America and the British Empire still have a resonance today Now in the first installment of a new collaboration between Pen and Sword and History Ireland magazine some of the world s leading experts on the Great Famine explore the crisis from a range of perspectives From the importance of the potato in Irish history to food exports political change the provision of charity the impact of disease the role of the authorities the experience of emigration and the changing interpretation of the famine this volume explores how this seminal event in Irish British and world history still has a relevance to the globalised world of the twenty first century

**The Great Famine** Charles River Charles River Editors,2016-07-12 Includes pictures Includes accounts of the famine by Irishmen who suffered through it Includes online resources and a bibliography for further reading Includes a table of contents I have called it an artificial famine that is to say it was a famine which desolated a rich and fertile island that produced every year abundance and superabundance to sustain all her people and many more The English indeed call the famine a dispensation of Providence and ascribe it entirely to the blight on potatoes But potatoes failed in like manner all over Europe yet there was no famine save in Ireland John Mitchel Young Ireland Movement Anyone who has ever heard of the luck of the Irish knows that it is not something to wish on someone for few people in the British Isles have ever suffered as the Irish have As one commissioner looking into the situation in Ireland wrote in February 1845 It would be impossible adequately to describe the privations which they habitually and silently endure in many districts their only food is the potato their only beverage water their cabins are seldom a protection against the weather a bed or a blanket is a rare luxury and nearly in all their pig and a manure heap constitute their only property Even his fellow commissioners agreed and expressed our strong sense of the patient endurance which the laboring classes have exhibited under sufferings greater we believe than the people of any other country in Europe have to sustain Still in their long history of suffering nothing was ever so terrible as what the Irish endured during the Great Potato Famine that struck the country in the 1840s and produced massive upheaval for several years While countless numbers of Irish starved the famine also compelled many to leave and all the while the British were exporting enough food from Ireland on a daily basis to prevent the starvation Over the course of 10 years the population of Ireland decreased by about 1.5 million people and taken together these facts have led to charges as severe as genocide At the least it indicated a British desire to remake Ireland in a new mold As historian Christine Kinealy noted As the Famine progressed it became apparent that the government was using its information not merely to help it formulate its relief policies but also as an opportunity to facilitate various long desired changes within Ireland These included population control and the consolidation of property through various means including emigration Despite the overwhelming evidence of prolonged distress caused by successive years of potato blight the underlying philosophy of the relief efforts was that they should be kept to a minimalist level in fact they actually decreased as the Famine progressed Although the Famine obviously weakened Ireland and its people it also stiffened

Irish resolve and helped propel independence movements in its wake By the time the Famine was over it had changed the face of not just Ireland but also Great Britain and it had even made its effects felt across the Atlantic in the still young United States of America The Great Famine The History of the Irish Potato Famine during the Mid 19th Century looks at the history of the notorious famine and its results Along with pictures and a bibliography you will learn about the Irish Potato Famine like never before in no time at all

**The Great Famine** Ciarán Ó Murchadha,2011-06-02 Over one million people died in the Great Famine and more than one million more emigrated on the coffin ships to America and beyond Drawing on contemporary eyewitness accounts and diaries the book charts the arrival of the potato blight in 1845 and the total destruction of the harvests in 1846 which brought a sense of numbing shock to the populace Far from meeting the relief needs of the poor the Liberal public works programme was a first example of how relief policies would themselves lead to mortality Workhouses were swamped with thousands who had subsisted on public works and soup kitchens earlier and who now gathered in ragged crowds Unable to cope workhouse staff were forced to witness hundreds die where they lay outside the walls The next phase of degradation was the clearances or exterminations in popular parlance which took place on a colossal scale From late 1847 an exodus had begun The Famine slowly came to an end from late 1849 but the longer term consequences were to reverberate through future decades

**The Great Irish Famine** Christine Kinealy,2017-03-14 The Great Irish Famine of 1845 51 was both one of the most lethal famines in modern history and a watershed in the development of modern Ireland This book based on a wide range of little used sources demonstrates how the Famine profoundly affected many aspects of Irish life the relationship between the churches the nationalist movement and the relationship with the monarchy In addition to looking at the role of the government Kinealy shows the importance of private charity in saving lives One of the most challenging aspects of the publication is the chapter on food supply in which Kinealy concludes that despite the potato blight Ireland was still producing enough food to feed its people The long term impact of the tragedy notably the way in which it has been remembered and commemorated is also examined

**The Great Famine** William Chester Jordan,1997-12-15 The horrors of the Great Famine 1315 1322 one of the severest catastrophes ever to strike northern Europe lived on for centuries in the minds of Europeans who recalled tales of widespread hunger class warfare epidemic disease frighteningly high mortality and unspeakable crimes Until now no one has offered a perspective of what daily life was actually like throughout the entire region devastated by this crisis nor has anyone probed far into its causes Here the distinguished historian William Jordan provides the first comprehensive inquiry into the Famine from Ireland to western Poland from Scandinavia to central France and western Germany He produces a rich cultural history of medieval community life drawing his evidence from such sources as meteorological and agricultural records accounts kept by monasteries providing for the needy and documentation of military campaigns Whereas there has been a tendency to describe the food shortages as a result of simply bad weather or else poor economic planning Jordan sets the stage so that we see the complex

interplay of social and environmental factors that caused this particular disaster and allowed it to continue for so long Jordan begins with a description of medieval northern Europe at its demographic peak around 1300 by which time the region had achieved a sophisticated level of economic integration He then looks at problems that when combined with years of inundating rains and brutal winters gnawed away at economic stability From animal diseases and harvest failures to volatile prices class antagonism and distribution breakdowns brought on by constant war northern Europeans felt helplessly besieged by acts of an angry God although a cessation of war and a more equitable distribution of resources might have lessened the severity of the food shortages Throughout Jordan interweaves vivid historical detail with a sharp analysis of why certain responses to the famine failed He ultimately shows that while the northern European economy did recover quickly the Great Famine ushered in a period of social instability that had serious repercussions for generations to come

*The Great Famine 1845-1852* Northern Ireland. Public Record Office,1970 In Ireland the Great Famine was a period of mass starvation disease and emigration between 1845 and 1852 It is also known mostly outside Ireland as the Irish Potato Famine In the Irish language it is called an Gorta Mór IPA n t mo meaning the Great Hunger or an Drochshaol n dxhi l meaning the bad life

Wikipedia [The Great Irish Famine](#) Cormac Ó Gráda,Economic History Society,1989 A concise analysis of one of the great disasters of Irish history Copyright Libri GmbH All rights reserved

**The Great Famine and the Irish Diaspora in America** Arthur Gribben,1999 In Ireland the Great Famine was a period of mass starvation disease and emigration between 1845 and 1852 It is also known mostly outside Ireland as the Irish Potato Famine In the Irish language it is called an Gorta Mór IPA n t mo meaning the Great Hunger or an Drochshaol n dxhi l meaning the bad life During the famine approximately 1 million people died and a million more emigrated from Ireland causing the island's population to fall by between 20% and 25%

Wikipedia [The Great Famine in Ireland. What caused it, and what were its consequences?](#) Maximilian Scheller,2022-07-04 Essay from the year 2019 in the subject History of Europe Modern Times Absolutism Industrialization grade 13 University of Mannheim course Ireland since 1800 language English abstract The so called Great Hunger is not only the best remembered famine but also the closest to us with a distance of fewer than 170 years The creation of new social and cultural conditions because of demographic decline large scale emigration and new economic policies lead to define the famine as a watershed in the history of Ireland This essay discusses the question of what different reasons resulted in the big calamity and what consequences it had had and has had and how much this led to a lasting change in Ireland

[The Great Famine](#) Amelia Khatri,AI,2025-02-17 The Great Famine examines the multifaceted causes and devastating consequences of the Irish Potato Famine 1845 1849 a pivotal event in world history It explores the confluence of environmental factors specifically the arrival of potato blight alongside existing socioeconomic conditions and British economic policies that transformed a localized agricultural crisis into a widespread catastrophe The book highlights the biological vulnerability of Ireland's dependence on a single crop and the impact of British Colonialism on Irish land ownership and food distribution The

narrative also traces the subsequent mass migration and its profound effects on both Ireland and the nations receiving the displaced population The book argues that the famine was not merely a natural disaster but a complex interplay of ecological vulnerability exacerbated by political and economic systems By using government documents personal letters and research from agricultural science The Great Famine adopts a narrative non fiction approach to bring this history to life Structured to provide a comprehensive analysis it begins with pre famine conditions in Ireland transitions to the blight s devastating effects analyzes the British government s response examines mass emigration and concludes with the famine s long term impact on Irish society and modern food security policies

**The Great Famine & Genocide in Iran** Mohammad Gholi Majd,2013-07-19 At least 8 10 million Iranians out of a population of 18 20 million died of starvation and disease during the famine of 1917 1919 The Iranian holocaust was the biggest calamity of World War I and one of the worst genocides of the 20th century yet it remained concealed for nearly a century The 2003 edition of this book relied primarily on US diplomatic records and memoirs of British officers who served in Iran in World War I but in this edition these documents have been supplemented with US military records British official sources memoirs diaries of notable Iranians and a wide array of Iranian newspaper reports In addition the demographic data has been expanded to include newly discovered US State Department documents on Iran s pre 1914 population This book also includes a new chapter with a detailed military and political history of Iran in World War I A work of enduring value Majd provides a comprehensive account of Iran s greatest calamity

**The Great Famine** John Percival,1995 The Irish famine of 1845 1851 killed a million people mostly from disease resulting from months of slow starvation Hundreds of thousands were evicted and left destitute and another million and a half fled the country taking with them the horrors of hunger disease and despair Linked to a BBC2 television series this book tells the story of this huge tragedy from the social background of the impoverished Ireland of the day through the famine s devastating course as people died in their starving thousands to its lasting legacy in the rising Irish independence movement

[The Great Irish Famine: A History in Documents](#) Karen Sonnelitter,2018-10-30 In the fall of 1845 a mysterious blight ravaged Ireland s potato harvest beginning a prolonged period of starvation suffering and emigration that reduced the Irish population by as much as twenty five per cent in a mere six years The Famine profoundly impacted Ireland s social and political history and altered its relationships with the United Kingdom and the rest of the world This document collection provides a broad selection of historical perspectives depicting the causes the course and the impact of the Famine Letters speeches newspaper articles and other works are collected within carefully described and annotated for the reader A substantial introduction a chronology of events and a useful glossary are also included to aid in the interpretation of the primary texts

*Ireland's Great Famine and Popular Politics* Enda Delaney,Breandán Mac Suibhne,2015-11-19 Ireland s Great Famine of 1845 52 was among the most devastating food crises in modern history A country of some eight and a half million people lost one million to hunger and disease and another million to emigration According to land activist Michael

Davitt the starving made little or no effort to assert the animal's right to existence passively accepting their fate But the poor did resist In word and deed they defied landlords merchants and agents of the state they rioted for food opposed rent and rate collection challenged the decisions of those controlling relief works and scorned clergymen who attributed their suffering to the Almighty The essays collected here examine the full range of resistance in the Great Famine and illuminate how the crisis itself transformed popular politics Contributors include distinguished scholars of modern Ireland and emerging historians and critics This book is essential reading for students of modern Ireland and the global history of collective action

*Black '47 and Beyond* Cormac Ó Gráda, 2000-09-03 Moving away from the traditional narrative historical approach to the catastrophe O Grada concentrates instead on fresh insights available through interdisciplinary and comparative methods He highlights several economic and demographic features of the famine previously neglected in the literature such as the part played by traders and markets by medical science and by migration **A Death-Dealing Famine** Christine

Kinealy, 1997-03-20 Examines the historiography of the Irish Famine and its relevance now in the context of the longer term relationship between England and Ireland **The Great Famine. Curse or Blessing?** Katharina Heisch, 2017-04-07

Seminar paper from the year 2016 in the subject History of Europe Modern Times Absolutism Industrialization grade 1 0 language English abstract A famine has multiple different effects on a country Firstly an impression of the land before the dearth is given and reasons why the famine happened are pointed out In this work it will be explained how Ireland changed due to hunger discussing the negative and positive short and longterm consequences of the Great Famine The actions to end the hunger by politicians and private individuals will also be discussed At the end of this work I will form my opinion and answer the question as to whether the Great Famine was a curse or a blessing

## **The Great Famine** Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the energy of words has become more evident than ever. They have the capability to inspire, provoke, and ignite change. ## **The Great Famine Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The Great Famine has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Great Famine has opened up a world of possibilities. Downloading The Great Famine provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Great Famine has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Great Famine. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Great Famine. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Great Famine, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Great Famine has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## FAQs About The Great Famine Books

1. Where can I buy The Great Famine books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Great Famine book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of The Great Famine books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are The Great Famine audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media

or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read The Great Famine books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
