The Mask Behind The Face:

The Mask Behind the Mask Shana W. Gourdine, 2019-02-23 This book motivates you to look inside your mask and know that it is okay to cry be sad be mad and love who you are thorough it all We wear many masks to cover the flaws or imperfections we have but there is always a mask that we still hide behind There is always another face that we hide behind so others don t see it Just know that it is okay to love all of you including the imperfections we try to hide from This is to inspire you to embrace the real you and to be strong through all things with poetry

Behind the Mask Rosa Zagnoni Marinoni, 1927 *Masks and Faces* Lior Levy, Massimo Leone, 2026-02-17 Focusing on masks and faces as figures and objects that carry ethical and political meanings this volume examines the scientific cultural visual and philosophical histories and traditions in which they are imbricated and which allow them to gather force and to become central to how human relationships are made Offering interdisciplinary and multidisciplinary perspectives on masks and faces the book studies the prominent role they play in shaping ideals and norms of political personhood their deployment as evidence in the creation of racist hierarchies and their role in demarcating the human and non human Through historical and theoretical analyses of different case studies from around the world the book offers a global perspective that will enable readers to reflect on the interweaving of aesthetics ethics and politics in the making of faces and masks into figures around which the visual world is organized and valorized Moving from past to future from essays that examine methods for facial classification and the production of facial casts in the service of racial science to essays that reflect on the future of the human face in light of deepfake technologies or in relation to the posthuman turn the collection historicizes modern Western conceptions of masks and faces and the conceptual ethical and political hierarchies in which they are embedded This book will be an invaluable work for researchers librarians advanced students and curious learned readers who are interested in philosophy history of science visual studies and cultural studies More broadly it will appeal to those engaged with innovative approaches to the study of the relationship between aesthetics ethics and politics as these are explored through the figures of masks and faces as well as through reflections on the meaning of the face in present day digital societies

Behind the Masks of Modernism Andrew Reynolds, Bonnie Roos, 2016-02-24 A wide ranging collection that allows the mask as artifact metaphor theatrical costume fetish strategy for self concealment and treasured cultural object to clarify modernity s relationship to history Carrie J Preston author of *Modernism s Mythic Pose Gender Genre Solo Performance* Covering an impressive range of geographies cultures and time periods these carefully researched essays explore the fascinating role of masks and masking in mediating the relationship between tradition and modernity in both art and literature Paul Jay author of *The Humanities Crisis and the Future of Literary Studies* *Behind the Masks of Modernism* reconsiders the meaning of modernism by taking an interdisciplinary approach and stretching beyond the Western modernist canon and the literary scope of the field The essays in this diverse collection explore numerous regional national and transnational expressions of modernity through art
