## **The Memorabilia:**

**Xenophon's Socratic Works** David M. Johnson, 2021-04-27 Xenophon's Socratic Works demonstrates that Xenophon a student of Socrates military man and man of letters is an indispensable source for our understanding of the life and philosophy of Socrates David M Johnson restores Xenophon's most ambitious Socratic work the Memorabilia Socratic Recollections to its original literary context enabling readers to experience it as Xenophon's original audience would have rather than as a pale imitation of Platonic dialogue He shows that the Memorabilia together with Xenophon's Apology provides us with our best evidence for the trial of Socrates and a comprehensive and convincing refutation of the historical charges against Socrates Johnson's account of Socrates moral psychology shows how Xenophon's emphasis on control of the passions can be reconciled with the intellectualism normally attributed to Socrates Chapters on Xenophon's Symposium and Oeconomicus Estate Manager reveal how Xenophon used all the literary tools of Socratic dialogue to defend Socratic sexual morality Symposium and debate the merits and limits of conventional elite values Oeconomicus Throughout the book Johnson argues that Xenophon's portrait of Socrates is rich and coherent and largely compatible with the better known portrait of Socrates in Plato Xenophon aimed not to provide a rival portrait of Socrates Johnson shows but to supplement and clarify what others had said about Socrates Xenophon's Socratic Works thus provides readers with a far firmer basis for reconstruction of the trial of Socrates a key moment in the history of Athenian democracy and for our understanding of Socrates seminal impact on Greek philosophy This volume introduces Xenophon's Socratic works to a wide range of readers from undergraduate students encountering Socrates or ancient philosophy for the first time to scholars with interests in Socrates or ancient philosophy more broadly It is also an important resource for readers interested in Socratic dialogue as a literary form the trial of Socrates Greek sexual morality the central topic of Xenophon's Symposium or Greek social history for which the Oeconomicus is a key text
