A Web Of Stories Tristan A. Smith, 2022-02-25 Life spins stories around us as we slide through time anchored by our secrets Tristram Jones has an opal that is of deep significance to his teacher Ivan MacAllister a compelling and charismatic mentor haunted by a trauma caused by the witch doctor Dinewan Named after the Great Emu Spirit of the Dreamtime is Dinewan just a bitter hateful misfit whose mind has been warped by an old family legend or something far more dangerous Tristram is haunted too by dreams that feel like memories of a terrifying monster that is waiting to pounce from the still waters of the billabong A web of stories surrounds Tristram and Ivan and the truth of them must come out as life goes on with adventure romance and danger The witch doctor is coming and he will have his due Bunyip is a modern tale influenced by much older stories and spiced with science legend and sensual experiences It is gruesome in places funny in others and tender where it counts This book contains graphic sex and violence and is intended for a mature readership Reader discretion is advised
