Wee Macgregor Enlists John Joy Bell,2018-08-11 Wee Macgregor Enlists By John Joy Bell 1915 had recently jeered at his intention of becoming a soldier and they had parted on indifferent terms though Willie had succeeded in adding to a long list of borrowings a fresh item of twopence Willie and prosperity were still as far apart as ever and even Willie could hardly have blamed prosperity for that He had no deadly vices but he could not stick to any job for more than a month He was out of work at present Having developed into a rather weedy seedy looking young man he was not too proud to sponge on the melancholy maiden aunt who had brought him up and whose efforts at stern discipline during his earlier years had seemingly proved fruitless Macgregor was the only human being he could call friend We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience Wee MacGregor. Bell,2017-10-19 Through the gateway flanked by tall recruiting posters came rather hurriedly a youth of no great stature but of sturdy build and comely enough countenance including bright brown eyes and fresh complexion Though the dull morning was coldish perspiration might have been detected on his forehead Crossing the street without glance to right or left he increased his pace also he squared his shoulders and threw up his head with an air that might have been defiance at the fact of his being more than an hour late for his day s work His face however betrayed a certain spiritual emotion not suggestive of anticipated trouble with employer or foreman As a matter of fact the familiar everyday duty had ceased to exist for him and if his new exaltation wavered a little as he neared the warehouse fifteen minutes later it was only because he

would have to explain things to the uncle who employed him and to other people and he was ever shy of speaking about himself
