*The Werewolf Manuscript* Clint Romag, 2005-11-05 includes a new introduction by Clint Romag Cameron Rossin depressed and isolated drops out of college and returns home to Longview WA unaware that something evil is waiting Across town animals are discovered ripped apart as if attacked by some savage predator The mutilated body of a Real Estate agent is found in a parking lot Cameron meets James Langley and makes a fatal choice Anyone that Cameron ever cared about will be endangered because of his decision Will Cameron learn the secret of James before it s too late Can the evil be destroyed Will Cameron lose his soul in the process How many will die because of it Scott Lannister finds Cameron s manuscript with all the answers and in doing so discovers that his own life might be at stake AWAKENED BY THE WEREWOLF'S KISS JASPER MILL, What if a single kiss could awaken a power buried for generations and bind your fate to a love that was never meant to exist In the hidden valley of Lunareth truth is more dangerous than magic Wolves live under ancient rules Confession is forbidden Love is controlled Silence keeps the land from breaking Until Ilyra Morcanthe arrives A scholar drawn by a mysterious manuscript Ilyra expects forgotten language and old stories What she finds instead is a living valley that listens and a man who has spent his life refusing the wolf inside him Rhydan Kaelthorn was never meant to awaken He was taught that desire leads to ruin and love is a weakness that destroys packs But when Ilyra speaks a truth no one else dares to say their connection ignites a ritual believed lost to time The First Kiss Wake Now the valley remembers what was buried Secrets unravel Bloodlines collide And a bond forms that could heal generations or tear everything apart To complete the awakening they must confess a truth that links their families to a betrayal that reshaped the wolves forever If they speak it their love may not survive If they remain silent the land itself will collapse As power rises and old authority fights back Ilyra and Rhydan must choose between protection and honesty tradition and transformation fear and the kind of love that demands to be seen Awakened by the Werewolf s Kiss is a deeply emotional paranormal romance filled with forbidden love slow burn tension shifter mythology found family and a supernatural mystery that explores what happens when truth is finally spoken This novel is best for readers who love i Paranormal romance with emotional depth ii Werewolf and shifter love stories iii Slow burn romance with powerful chemistry iv Fantasy romance about destiny and choice v Stories about healing generational wounds vi Character driven supernatural worlds vii Strong heroine meets guarded protector energy viii Romance built on consent vulnerability and transformation Some awakenings do not begin with power They begin with honesty And some kisses do not start a romance They rewrite history Start reading Awakened by the Werewolf s Kiss today and enter a shifter romance where silence breaks truth heals and love finally speaks Order NOW **Heads Will Roll** ,2012-01-20 The decapitation motif recurs in nearly all medieval and early modern genres from saints lives and epics to comedies and romances yet decollation is often little regarded save as a marker of humanity that is as the moment mortality exits or inhumanity that is as the moment the supernatural enters However as a seat of reason wisdom and even the soul the

head has long been afforded a special place in the body politic even when separated from its body proper Capitalizing upon the enduring fascination with decapitation in European culture this collection examines through a variety of critical lenses the recurring roles rolls of severed human heads in the medieval and early modern imagination Contributors are Nicola Masciandaro Mark Faulkner Jay Paul Gates Christine Cooper Rompato Dwayne Coleman Mary Leech Tina Boyer Ren e Ward Andrew Fleck Thomas Herron Thea Cervone and Asa Simon Mittman Preface by Jeffrey Jerome Cohen *The Were-wolf* John Miller, Tim Smith, 1995 **The Preparation of Manuscripts for the Printer** Frank H. Vizetelly, 1912 Stories Set Forth with Fair Words Marianne E. Kalinke, 2017-03-23 This book is an investigation of the foundation and evolution of romance in Iceland The narrative type arose from the introduction of French narratives into the alien literary environment of Iceland and the acculturation of the import to indigenous literary traditions The study focuses on the oldest Icelandic copies of three chansons de geste and four of the earliest indigenous romances both types transmitted in an Icelandic codex from around 1300 The impact of the translated epic poems on the origin and development of the Icelandic romances was considerable yet they have been largely neglected by scholars in favour of the courtly romances This study attests the role played by the epic poems in the composition of romance in Iceland which introduced the motifs of the aggressive female wooer and of Christian heathen conflict The Making of Middle English, 1765-1910 David Matthews, 1999 Before the 1760s with the major exception of Chaucer nearly all of Middle English literature lay undiscovered and ignored Because established scholars regarded later medieval literature as primitive and barbaric the study of this rich literary heritage was relegated to antiquarians and dilettantes In The Making of Middle English 1765 1910 David Matthews chronicles the gradual rediscovery of this literature and the formation of Middle English as a scholarly pursuit Matthews details how the careers class positions and ambitions of only a few men gave shape and direction to the discipline Mostly from the lower middle class they worked in the church or in law and hoped to exploit medieval literature for financial success and social advancement Where Middle English was concerned Matthews notes these scholars were self taught and their amateurism came at the price of inaccurately edited and often deliberately improved texts intended for a general public that sought appealing rather than authentic reading material This study emphasizes the material history of the discipline examining individual books and analyzing introductions notes glossaries promotional materials lists of subscribers and owners annotations to assess the changing methodological approaches of the scholars and the shifts in readership Matthews explores the influence of aristocratic patronage and the societies formed to further the editing and publication of texts And he examines the ideological uses of Middle English and the often contentious debates between these scholars and organizations about the definition of Englishness itself A thorough work of scholarship The Making of Middle English presents for the first time a detailed account of the formative phase of Middle English studies and provides new perspectives on the emergence of medieval studies canon formation the politics of editing and the history of the book *The Lays of Desiré, Graelent and*
