Why Does God Allow Evil? Clay Jones,2017-08-01 If you are looking for one book to make sense of the problem of evil this book is for you Sean McDowell Grasping This Truth Will Change Your View of God Forever If God is good and all powerful why doesn't He put a stop to the evil in this world Christians and non Christians alike struggle with the concept of a loving God who allows widespread suffering in this life and never ending punishment in hell We wrestle with questions such as Why do bad things happen to good people Why should we have to pay for Adam's sin How can eternal judgment be fair But what if the real problem doesn't start with God but with us Clay Jones a professor of Christian apologetics at Biola University examines what Scripture truly says about the nature of evil and why God allows it Along the way he'll help you discover the contrasting abundance of God's grace the overwhelming joy of heaven and the extraordinary destiny of believers

Why Does an Orderly God Allow Disorder Patience Johnson,2012-09-24 I wrote this book in my darkest time and realized that I must use my experiences to teach people many ways to enjoy both sides of life I believe that there is no such thing as a good time or bad time in life Rather I see opportunities for creative invention regeneration growth circumcision of heart and thinking about the past and the future I wrote this book to answer some of the world's most commonly asked questions which always cross my mind I propose many sources of the problems we have in the world as well as solutions for how to handle them Do the politicians really have the solution to our economic problems Can the world ever experience peace and harmony Has religion done us more harm than good Is there really a God If there is one where can we find him/her I think that after reading this book most of your questions will be answered Human beings forget that there are two sides to everything the good and the bad the sun and the moon night and day light and darkness Unfortunately we choose to see only the good sides of existence as being beneficial and refuse to embrace and see the opportunities that can come from the hard times We may be so busy seeing the faults of other people and not our own could that be one of the reasons we seem to misunderstand each other I hope to impart my wisdom to you Do not worry about death but consider how to be prepared when it comes Additionally you must acknowledge God and his sovereignty and not only by attending church or Mosque This book also teaches about parenting attitudes character and many other things about life
