Running late for work one morning in September 1994 Tom Hargrove communications director for an international agricultural aid organization in Cali Colombia was mildly annoyed when he spotted a roadblock or ret n manned by soldiers in fatigues He chafed at the delay but told himself that guerrillas and kidnapers didn t operate on a main highway in broad daylight But Hargrove had been dreadfully mistaken Despite his assertions that he worked for a non profit agricultural agency he was forced at gunpoint into a vehicle and driven into the mountains by communist narco terrorists who believed he was a valuable hostage For almost a year Hargrove was held by the guerillas and moved from one remote location to another To maintain his grip on sanity he recorded his daily experiences in makeshift journals in a checkbook on children s notebooks and on scraps of paper scrounged during his ordeal Hargrove s story originally published in 1995 was the basis for the major motion picture Proof of Life starring Russell Crowe and Meg Ryan Now available again in paperback Long March to Freedom chronicles one man s spirited determination to hang onto life and faith amid nearly impossible circumstances
