Wicked Seed:

Truth's Triumph Thomas Tomkinson,1823 **The Messianic Vision of the Pentateuch** Kevin S. Chen,2019-12-03
Did Moses write about Jesus Kevin Chen challenges the common view of the Pentateuch as focused primarily on the Mosaic Law arguing instead that it sets forth a coherent sweeping vision of the Messiah as the center of its theological message Building on the work of John Sailhamer Chen provides a fascinating study and an exegetical basis for a Christ centered biblical theology

The Watchtower ,1926 Frater Petrus, Collationes de tempore (Fourteenth Century) Daniel Nodes,2021-09-06 The sermons here published for the first time are attributed to an otherwise unknown friar referred to simply as Frater Petrus The collection provides evidence of actual preaching in a normal setting from fourteenth century Germany between the beginnings of the Franciscan order and the Observant reform movement not by a major light of the order but a regular member who may have held status as an intermediate level teacher to judge by the care with which the manuscripts were prepared Theologically competent and gracefully presented in the conventional sermon style of the period the collection edited and translated by Daniel Nodes offers scholars and students a reliable new resource in an area of sermon studies that is still in short supply
