

# Weill Und Brecht

**Rachel S Tattersall**

## **Weill Und Brecht:**

*Weill's Musical Theater* Stephen Hinton,2012-04-10 In the first musicological study of Kurt Weill's complete stage works Stephen Hinton charts the full range of theatrical achievements by one of twentieth century musical theater's key figures Hinton shows how Weill's experiments with a range of genres from one act operas and plays with music to Broadway musicals and film opera became an indispensable part of the reforms he promoted during his brief but intense career Confronting the divisive notion of two Weills one European the other American Hinton adopts a broad and inclusive perspective establishing criteria that allow aspects of continuity to emerge particularly in matters of dramaturgy Tracing his extraordinary journey as a composer the book shows how Weill's artistic ambitions led to his working with a remarkably heterogeneous collection of authors such as Georg Kaiser Bertolt Brecht Moss Hart Alan Jay Lerner and Maxwell Anderson

**Kurt Weill** Jürgen Schebera,1997-09-01 Examining the life of Kurt Weill this text explores the phases of the composer's life from his childhood as the son of a cantor in the Jewish section of Dessau Germany to his renunciation of Germany in 1933 It also looks at his emigration to America 1935 and his premature death 1950 *The Partnership* Pamela Katz,2015-12-08 This fascinating portrait of two of the most brilliant theater artists of the twentieth century and the women who made their work possible is set against the explosive years of the Weimar Republic Among the most outsized personalities of the sizzling decadent period between the Great War and the Nazis rise to power were the renegade poet Bertolt Brecht and the avant garde composer Kurt Weill These two young geniuses and the three women vital to their work actresses Lotte Lenya and Helene Weigel and writer Elisabeth Hauptmann joined talents to create the theatrical masterworks *The Threepenny Opera* and *The Rise and Fall of the City of Mahagonny* only to split in rancor as their culture cracked open and their differences became irreconcilable *The Partnership* is the first book to tell the full story of one of the most important creative collaborations of the last century and the first to give full credit to the women who contributed their enormous gifts Theirs is a thrilling story of artistic daring entwined with sexual freedom during the Weimar Republic's most fevered years a time when art and politics and society were inextricably mixed **Rise and Fall of the City of Mahagonny** Bertolt Brecht,2007 Brecht's operatic play produced with Hauptmann Neher and Weill was first staged in 1930 Translated and with commentary by Steve Giles this critical edition is the first translation into English of the approved *Versuche* text of 1930 1 [Kurt Weill](#) Jürgen Schebera,1980 [The New Grove Dictionary of Music and Musicians](#) Stanley Sadie,John Tyrrell,2001 [Kurt Weill](#) David Farneth,2000 With 900 photographs including stills musical scores playbills the composer's notes and other original artwork Kurt Weill is an addition to any theater or music lover's collection **BOOK JACKET** [The New Grove Dictionary of Music and Musicians: Wagon to Z?ywny](#) Stanley Sadie,2001 **Kurt Weill on Stage** Foster Hirsch,2004-02-01 Limelight His best known song is *Mack the Knife* with words by Bertolt Brecht from *The Threepenny Opera* first performed in Weimar Berlin in 1928 Five years later Kurt Weill fled the Nazis to come to America where he soon emerged as one of the most

admired composers of the Broadway musical stage His shows included Knickerbocker Holiday Lady in the Dark One Touch of Venus Street Scene and Lost in the Stars His songs My Ship September Song Speak Low and It Never Was You This biography concentrates on Weill s career in the United States but its aim is to explore the truth in the comment made by Weill s wife the unforgettable Lotte Lenya There is no American Weill there is no German Weill There is no difference between them There is only Weill

**Kurt Weill's Die Dreigroschenoper** Sarah E. Neely,2009

**The influence of the political climate on Kurt Weills operas. With reference to "Aufstieg und Fall der Stadt Mahagonny"** Mareike Janus,2004-12-03 Essay aus dem Jahr 2004 im Fachbereich Musik Sonstiges Note 2 University of Nottingham Sprache Deutsch Abstract In order to illuminate the political and social circumstances and influences under which the opera Aufstieg und Fall der Stadt Mahagonny was created it is crucial to outline the political climate in the 1920s in Germany first Subsequently the reader will learn more about the authors Kurt Weill and his librettist Bertolt Brecht the latter being of crucial importance to the political statement of the Mahagonny opera Finally the consequences which Weill and Brecht draw from the political climate for the genesis of their works will be elucidated Kurt Weill collaboration with the poet Bertolt Brecht is restricted to the years 1927 to 1931 when the Weimar Republic reached the high point of its golden years before in 1933 Hitler took over power in Germany After the Second World War Germany experienced its first democratic republic that brought a new liberty of opinion with it During the era under Kaiser Wilhelm there had been little scope for artistic and intellectual forces but with the new democratic freedom the arts flourished throughout the time of the Weimar Republic Most of all the 1920s in Germany were a time of uncertainty and political insecurity on the one hand coming from outside Germany like the Contract of Versailles which made Germany give away all colonies and huge sums of money to the allies This lead to an inflation which reached its peak in 1923 before the vicious circle was stopped with the help of a monetary reform and loan from foreign countries especially from the USA The loans were to contribute strongly to Germanys undoing in a few years later when America pulled back its credits itself being in a desolate state due to the world economic crisis However the new Reichskanzler Stresemann voted in 1923 managed an economical upswing which would later be referred to as the golden twenties with regard to the growth in technology and industry But on the other hand Germany was also shaken from the inside at that time revolts political murders attempts of coup d tat and insurrections mirrored the discontent and the disagreement of the German people The Black Friday and the stock marked crash in 1929 finally led to the economical downfall of Germany connected with poverty and a high unemployment rate for the second time in just a few years the country went into an economical chaos This prompted the strong popularity of the extreme political parties at the beginnings of the 1930s

Music and Human Experience Arthur J. Komar,1980

*Kurt Weill* David Farneth,2000 With 900 photographs including stills musical scores playbills the composer s notes and other original artwork Kurt Weill is an addition to any theater or music lover s collection

**BOOK JACKET**

**Makers of Modern Culture** Justin Wintle,1981 This volume

provides lively and clearly written expositions of those figures who have done most to shape our views in the period since 1914 Music cinema drama art fiction poetry and philosophy are just some of the fields covered **Kurt Weill** Hellmut Kotschenreuther,1962 Med v rkfortegnelse og diskografi **The British Musician and Musical News** ,1930 *Thematic Material and Harmonic Structure in Aufsteig und Fall Der Stadt Mahagonny by Kurt Weill and Bertolt Brecht* Martha Greene Scott,1982 Love Song Ethan Mordden,2012-10-16 Noted historian of the Broadway musical chronicles the braided lives of two of the twentieth century s most influential artists For the first time Ethan Mordden chronicles the romance of Kurt Weill and Lotte Lenya in Love Song a dual biography that unfolds against the background of the tumultuous twentieth century scored to music from Weil s greatest triumphs Knickerbocker Holiday Lost in the Stars Lady in the Dark Happy End One Touch of Venus and The Rise and Fall of the City of Mahagonny The romance of Weill the Jewish cantor s son and Lenya the Viennese coachman s daughter changed the history of Western music With Bertolt Brecht they created one of the definitive works of the twentieth century The Threepenny Opera a smash that would live on in musical theatre history Weill the jazz Mozart was the creator whose work is backstage unseen Lenya his epic theatre femme fatale was the performer who put the work into view They heard the same unique music but he gave it form while she gave it life Love Song is ultimately the story of a great romance scored to some of the twentieth century s greatest music **Kurt Weill, an Illustrated Biography** Douglas Jarman,1982 This book is about the life of Kurt Weil a German composer who spent his later years in the United States He was a leading composer for the stage who was best known for his collaborations with Bertolt Brecht including The Threepenny Opera a Marxist critique of capitalism which included the ballad Mack the Knife *Kurt Weill Newsletter* ,1998
