Welsh Border Country:

Welsh Border Country Percy Thoresby Jones, 1938 Welsh Border Country ... Illustrated from Photographs and Sketches Percy Thoresby JONES, 1938 Welsh Border Country Maxwell Fraser, 1949 Views Beyond the Border Country Dennis Dworkin, Leslie Roman, 2013-12-16 This collection examines the influence of Raymond Williams on the work of radical intellectuals It especially looks at the limitation of Williams political vision and commitment *Farm Holiday Guide to Coast & Country Holidays in England, Scotland, Wales, Ireland 2004* Hunter, 2004 Old elegant homes taking guests Daily or weekly rentals *The Welsh Borders* Roy Millward, Adrian Henry Wardle Robinson, 1978 The New Left, National Identity, and the Break-up of Britain Wade Matthews, 2013-08-08 In *The New Left National Identity and the Break Up of Britain* Wade Matthews charts the nexus between socialism and national identity in the work of key New Left intellectuals E P Thompson Raymond Williams Stuart Hall Perry Anderson and Tom Nairn Matthews considers these New Left thinkers response to Britain s various national questions including decolonization and the End of Empire the rise of European integration and separatist nationalisms in Scotland and Wales and to the national and nationalist implications of Thatcherism Cold War and the fall of communism Matthews establishes a contestatory dialogue around these issues throughout the book based around different New Left perspectives on what has been called the break up of Britain He demonstrates that national questions where crucial to New Left debates *Welsh Border Country, Etc. [With Plates and End-paper Maps.]* Percy Thoresby Jones, 1949 **Library of Congress Subject Headings** Library of Congress, 2002 **Socialism and British Literature** Roberto del Valle Alcalá, 2025-12-16 An Open Access edition is available on the Liverpool University Press website thanks to funding from the Riksbankens Jubileumsfond This book offers an original reinterpretation of the literary history of British socialism in the long twentieth century and a theoretical investigation into the relationship between radical politics and writing more generally Through detailed close readings of fiction and other prose forms *Socialism and British Literature* argues that the discursively open and historically contingent language of the people where the people is understood as a political subject without necessary determinations or objective guarantees a people that needs to be assembled or imagined a people that is always yet to come is at the heart of literary engagements with the idea of socialism in Britain Across fictional and creative explorations of left wing politics from the nineteenth century ideological contexts which eventually gave rise to mass socialist movements at the beginning of the twentieth century to early twenty first century recreations of radical politics what transpires is an impulse both to expand the discursive forms and identities of socialism and to disengage them from any given or fixed socio economic position **Literary Atlas** Jon Anderson, 2024-12-26 This book documents a new approach to literary geographies based around the *Literary Atlas of Wales* It introduces an innovative plotted approach which empowers reading creates connections to localities histories and communities and inspires interest in literature and geography It showcases how literary geographies can be mobilized through the plotted approach to reading Through

documenting the Literary Atlas of Wales project this book outlines how the plotted approach was used to engage with English language novels set in Wales It argues that the future of this interdisciplinary subject area should be premised upon nurturing instability turbulence and experimentation in order to produce new insights which can change the way we understand the relations not only between literature and place but also between other modern categories including academic disciplines This book will be of interest to all readers of literature human geography mapping heritage studies and tourism It will be beneficial to those interested in the domains of cartography creative humanities cultural sociology human geography literary studies and print cultures
