Whale Road:

The Whale Road Robert Low, 2007-08-21 A band of brothers committed only to each other rides the waves fighting for the highest bidder treading the whale road in search of legendary relics Life is savage aboard a Viking raiding ship When Orm Rurikson is plucked from the snows of Norway to brave the seas on the Fjord Elk he becomes an unlikely member of the notorious crew Although young Orm must quickly become a warrior if he is to survive His fellow crew are the Oathsworn named after the spoken bond that ties them in brotherhood They fight hard they drink hard and they always defend their own But times are changing Loyalty to the old Norse Gods is fading and the followers of the mysterious White Christ are gaining power across Europe Hired as relic hunters the Oathsworn are sent in search of a sword believed to have killed the White Christ Their quest will lead them onto the deep and treacherous waters of the whale road toward the cursed treasure of Attila the Hun and to a challenge that presents the ultimate threat Robert Low has written a stunning epic a remarkable debut novel Not only a compelling narrative The Whale Road also brings a new Viking landscape stretching from Scotland through the Baltic and on to Istanbul International Praise for The Whale Road A company of warriors desperate battles an enthralling read Bernard Cornwell A fantastic book one of the best I have read for years There s a wonderful earthiness to the proceedings and he creates a tangible sense of being there There s a sturdy lyrical and epic quality about the writing that makes it feel like the kind of saga a Viking would recount in his old age Simon Scarrow A stirring Viking series of blockbuster battles and religious intrigue Publishing News Action packed and evocative Herald Glasgow

Beowulf in Contemporary Culture David Clark, 2019-11-29 This collection explores Beowulf s extensive impact on contemporary culture across a wide range of forms The last 15 years have seen an intensification of scholarly interest in medievalism and reimaginings of the Middle Ages However in spite of the growing prominence of medievalism both in academic discourse and popular culture and in spite of the position Beowulf itself holds in both areas no study such as this has yet been undertaken Beowulf in Contemporary Culture therefore makes a significant contribution both to early medieval studies and to our understanding of Beowulf s continuing cultural impact It should inspire further research into this topic and medievalist responses to other aspects of early medieval culture Topics covered here range from film and television to video games graphic novels children s literature translations and versions along with original responses published here for the first time The collection not only provides an overview of the positions Beowulf holds in the contemporary imagination but also demonstrates the range of avenues yet to be explored or even fully acknowledged in the study of medievalism **Cape Wind Energy Project**, 2004
