

# Why Terrorism?

- Extremists
- Conflicts in political ideas
  - Globalization is one of them
- Inequalities within groups of people
  - Rich-poor disparity, races, religion etc.
- Other problems, like corruption
- The crux is that they use violence against the masses to express their displeasure with the world.

# Why Terrorism

**George Michael**

## Why Terrorism:

**Why Terrorism Works** Alan M. Dershowitz, 2003-08-11 One of America's most distinguished defenders of civil liberties presents measures that will prevent terrorism and still uphold our democratic values. The greatest danger facing the world today, says Alan M. Dershowitz, comes from religiously inspired, state-sponsored terrorist groups that seek to develop weapons of mass destruction for use against civilian targets. In his newest book, Dershowitz argues passionately and persuasively that global terrorism is a phenomenon largely of our own making and that we must and can take steps to reduce the frequency and severity of terrorist acts. Analyzing recent acts of terrorism and our reaction to them, Dershowitz explains that terrorism is successful when the international community gives in to the demands of terrorists or even tries to understand and eliminate the root causes of terrorism. He discusses extreme approaches to wiping out international terrorism that would work if we were not constrained by legal, moral, and humanitarian considerations. And then, given that we do operate under such constraints, he offers a series of proposals that would effectively reduce the frequency and severity of international terrorism by striking a balance between security and liberty. *America's War On Terrorism* Carmen Röhrle, 2016-11-08 Pre-University Paper from the year 2014 in the subject History America grade 15 Punkte course Wissenschaftsprop deutsches Seminar The USA as a World Power on the Rise or on the Decline language English abstract This term paper gives a short overview on the War on Terrorism, on how it has developed and what successes were achieved as well as what sacrifices had to be made. How did it affect America's position as the world's leading superpower? Did it strengthen it? Weaken it? Ruin it? Are the United States still a world power? I can hear you. The rest of the world hears you. And the people who knocked these buildings down will hear from all of us soon. President George W. Bush Ground Zero September 14th 2001 **Terrorism and International Law**, 1988 Terrorism Michael Kronenwetter, 2004-06-30 Presents an overview of terrorism, its history, and underlying philosophy; a description of the most important terrorist organizations; a chronology of events; and an illustration of strategy from current terrorist attacks. *Terrorism and Counter-terrorism* Thomas A. Imobighe, A. N. T. Eguavoen, 2006 Seven Africanist scholars from the African Strategic and Peace Research Group in Nigeria here address the threat of terrorism in the context of the global strategic climate. The study is against the background of the altered shape of the global security equation and the devalued utility of the notion of security through state-centric military preparedness. They posit that failure to grasp its exact nature is leading to the spread to parts of Africa hitherto regarded as relatively safe. Further, the adverse socio-political conditions on the continent have increased Africa's vulnerability. They examine areas where the experiences of other regions are relevant, providing both a regional and global context. Professor Thomas Imobighe is Director of the Centre for Strategic and Development Studies at Ambrose Alli University Edo State. Dr. Agatha Eguavoen is Reader and Associate Professor in the Department of Sociology at Ambrose Alli University Edo State. The Enemy of My Enemy George Michael, 2006 In the violent world of radical extremists, the enemy of my enemy is my friend. This study reveals

how that precept plays out in the unexpected bonding between militant Islam and the extreme right in America and Europe It provides an insightful and sane look at the possibilities for collaboration between these groups Combating Terrorism

**Theory of War and Strategy** J. Boone Bartholomees (jr.),2008 **National Security for a New Era** Donald M. Snow,2008 National Security for a New Era Globalization and Geopolitics After Iraq Third Edition Donald M Snow In the third edition of this popular text renowned security scholar Donald M Snow continues to provide the most up to date and comprehensive analysis of the United States national security situation and its security policies This text examines national security from two fundamental fault lines the end of the Cold War and the 9 11 terrorist attacks and considers how the resulting era of globalization and geopolitics guides policy Placing this trend in conceptual and historical context and following it through military semi military and non military concerns National Security in a New Era treats its subject as a nuanced and subtle phenomenon that is evolving to encompass everything from the nation right down to the individual New to the Third Edition The changing problem of national security due to the Iraq War is discussed throughout the text A new chapter The Legacies of Iraq goes beyond the oft discussed causes of America s involvement to focus on how America will move forward A new chapter Extending Security in a Post Iraq World introduces students to transnational security issues such as borders natural resources diseases and the environment New coverage continues to explore the post Cold War security environment including the resurgence of Russia the proliferation of weapons of mass destruction and the shifting politics of making security policy New Study Discussion Questions and updated Amplification and Challenge boxes provide the tools needed to make connections between abstract analyses of national security issues anddaily headlines Visit us at [www.pearsonhighered.com](http://www.pearsonhighered.com) **Thinking Like a Terrorist** Mike German,2007 As the fifth full year of America s global war on terrorism continues statistics concerning terrorist attacks show a disturbing trend from a twenty one year high in 2003 attacks tripled in 2004 and then doubled in 2005 And as the incidence of terrorist attacks increased so has the number of terrorists While the primary leaders of the Taliban al Qaeda and al Qaeda in Iraq remain at large a 2006 Department of Defense study reportedly identified thirty new al Qaeda affiliated terrorist groups that have been created since September 11 2001 We may not have metrics that measure our success in the war on terrorism but these realities certainly illuminate our failures In Thinking Like a Terrorist former FBI counterterrorism agent Mike German contends that the overarching problem is a fundamental failure to understand the terrorists namely what they want and how they intend to get it When our counterterrorism policies are driven by misunderstanding and misperception we shouldn t be surprised at the results Today s terrorists have a real plan a blueprint that has brought them victory in the past that they are executing to perfection

moreover their plan is published and available to anyone who bothers to read it Once the terrorists plan is understood we can develop and implement more effective counterterrorism strategies A former undercover agent who infiltrated neo Nazi terrorist groups in the United States German explains the terrorist s point of view and discusses ways to counter the terrorism threat Based on his unusual experience in the field *Thinking Like a Terrorist* provides unique insights into why terrorism is such a persistent and difficult problem and why the U S approach to counterterrorism isn t working *The Origins of the Present Troubles in Northern Ireland* Caroline Kennedy-Pipe,1997 This book looks at the roots of the current struggle in Ulster and of British military intervention setting both in the longer perspective of the Anglo Irish troubles and addressing the issue of the response of democratic states to ethnic conflict **Minnesota Law Review** ,2004-04 **World Encyclopedia of Peace** Javier Pérez de Cuéllar,Yöng-sik Cho,1999 **The Literary Digest** Edward Jewitt Wheeler,Isaac Kaufman Funk,William Seaver Woods,Arthur Stimson Draper,Wilfred John Funk,1911 **Confessions** Eleanor Milligan,Emma Woodley,2010 This edited collection draws on a range of disciplines in exploring the central place of narrative in social inquiry and understanding the ethical life It provides scholarly and practical insights into the rewards and potential pitfalls of working in and with narrative It offers readers a broad range of carefully considered examples the use of art in enhancing insight into the plights of rural communities in Australia the use of illness narratives in medical education applying narratives of torture survivors and torturers in shaping humane political response and policy in the face of terrorism and the place of the music as a vehicle of story telling and moral growth This volume illuminates the explicit links between the importance of narrative that is the telling of stories to create shape and meaning in our lives and ethical engagement so critical to the achievement of a good life
