Why Do I Keep Doing This? Kati Morton, 2025-12-09 Leading mental health advocate and licensed marriage and family therapist Kati Morton explores our common struggle and contradiction with control in ourselves and relationships giving readers the ability to not only ask themselves why do I keep doing this but have the insight to find a real answer Many of us were told to stuff our feelings down when we were younger We were taught that that our emotional reactions and responses should be controlled so we didn't embarrass or upset our parents and those around us However if that control oozes over into our relationships it's considered a bad thing Controlling our friends or romantic partners is seen as toxic Control is a precarious thing Some sides of control are meant to keep us safe while others harm connections So what are we supposed to do In Why Do I Keep Doing This licensed family and marriage therapist Kati Morton explores this common struggle and contradiction with control Kati shows how our upbringing and anxiety are often connected to our struggle to take up space We can feel like we are too much by just existing in the same place as someone else or that we are less deserving of their time and care This struggle with asserting ourselves or taking what we require can harm our development We sometimes think the only way to feel okay and get what we need is to please everyone else first Why Do I Keep Doing This is a vital tool in helping us understand why control can be so attractive but if left unmonitored can become detrimental to our lives We all go through tough times and face uncertain futures and we do what we can to cope but as we get older and in an attempt to get wiser we have to notice what behaviors are holding us back and change them Why Do I Keep Doing This will shed light on shared struggles as readers follow Kati through some key points of growth in her own life while incorporating what she has learned as a therapist and content creator who knows how to create lasting healthy change This book gives readers the ability to not only ask themselves why do I keep doing this but also have the insight to find a real answer
