Why Farm:

Why Farm L. R. Miller, 1997 Small Farmer s Journal is after a new view of involvement ownership craftsmanship and the understandable mysterious seeds of magic They also seek the craft of good farming and the faith that comes of thankful farming Small Farmer s Journal wants to be defenders and agents of and for good farming and they realize that they are a small endeavor with small consequences In 1976 Lynn R Miller conceived of the idea of Small Farmer s Journal and went to work as its part time editor until a legitimate professional could be found Twenty five years later he s still in the editor s box writing essays and editorials both scathing and pensive which have in their raw storytelling form met with warm approval by thousands of Small Farmer s Journal readers In this book Miller has updated and reworked a compilation of his early editorials and essays This may be an important book on modern agrarian actualities and possibilities by a man who is fond of being called a muckraker for all of its fertile connotations
