Renowned therapist, eating disorder specialist, and recovering food addict, Kay Sheppard helps countless individuals win their battles over food addiction. People for whom diets, pills, and purging have become a way of life. In 1993, her groundbreaking book explained the illness of food addiction from the physiological origins through recovery. Sheppard's follow-up book, *From the First Bite*, offers the latest medical insights into food addiction, coupled with time-tested practical advice. The book

explains how to avoid the physiological and situational triggers that lead to relapse how to confront the emotional issues behind food cravings how to establish a balanced food plan that eliminates cravings and how to avoid hidden dangers in cleverly packaged foods The book also includes a handy Twelve Step workbook Just as Sheppard s first book broke new ground her latest work offers a critical first step for food addicts on the road to physical emotional and spiritual recovery
