Management, Google eBook John R. Schermerhorn,Paul Davidson,David Poole,Alan Simon,Peter Woods,So Ling Chau,2012-02-02 The fourth edition of this popular text has been thoroughly updated continuing its strong emphasis on the importance of the Asian region to contemporary Australian and New Zealand organisations Many Asian case examples are

featured to illustrate key management concepts. Joining the author team for this edition and enhancing this edition's critical analysis of management theory and applications are the best-selling authors from another of Wiley's undergraduate introductory management texts: *Management Core Concepts and Applications* 2nd Australasian edition, Davidson et al. This new edition also discusses the impact of recent events such as the global financial crisis on the management of organisations both during the crisis and in its aftermath. Of course, *Management* 4th Asia Pacific edition also retains the features that made it so popular with students and lecturers in the earlier editions: a balanced coverage of small to medium-sized enterprises and larger multinational corporations; an emphasis on the need for business activities to be sustainable in terms of preserving the welfare of future generations; the Career Readiness Workbook at the end of the book, which includes a range of individual and group activities to encourage the practical applications of management theory. With its clear insights into dynamics of management in the workplace of today and the future, *Management* 4th Asia Pacific edition provides a sound basis for the contemporary undergraduate study of introductory management.
