Stanko,2008-10 An ancient prescription for spiritual health in today's chaotic world Well known business philosopher Jim Rohn has said Success is nothing more than a few simple disciplines practiced every day while failure is simply a few errors in judgment repeated every day The Treasury of Quotes by Jim Rohn A Daily Dose of Proverbs provides a unique opportunity to apply that philosophy to your spiritual life with 366 daily doses of immutable wisdom A Daily Dose of Proverbs based on the book of Proverbs from the Bible is spiritual nourishment in concentrated form But it's much more than a daily regimen of vitamins for the soul In a day when we are being bombarded by a myriad of strange ideas and voices the invitation of Wisdom cries out from ages past I raise my voice to all mankind listen for I have worthy things to say Proverbs 8:4-6 NIV The offer that Wisdom makes is almost beyond belief Seek wisdom and you'll find truth discernment power and prosperity With wit wisdom and transparency John Stanko interprets Proverbs in the context of today's chaotic world He illuminates them with examples from the lives of many familiar biblical and historic figures Then in a lively engaging style he punctuates them with hard learned lessons from his own experience Read A Daily Dose of Proverbs and wise up John W Stanko holds an M A in economics and a Ph D in pastoral ministries For more than 20 years John has consulted with and instructed business educational and religious leaders the world over He is the author of five books and regularly conducts business forums in Africa Europe and Asia John is equally at home consulting with for profit and non profit organizations and he excels at team building John writes a weekly e mail update The Monday Memo which is sent to thousands around the world His Seven Steps of a PurposeQuest seminar has helped many people find their life's purpose *Uncommon Wisdom* Thomas Whittingslow,Paul Jaffe,Richard McGarey,Charles Okeke,Bob Ramsey,Rob Bignell,Michaela von Schatzberg,2013-04-22 Twelve extraordinary people have shared their lives with me ranging from a Nobel Prize winner and a 107 year old Navajo grandmother to a man who lived connected to an artificial heart machine for two years Each of us leaves a unique footprint or a legacy before we die At the end of each chapter the interviewee was asked if they were at the end of life what are the most important lessons that they would like to pass along to a favorite son or daughter To retain character and personality the stories are unfiltered told in the interviewee's own words Every man's story is sacred and worthy of recognition Every act has its consequences and with it come lessons Uncommon Wisdom touches upon the following Purpose of life Artistic breakthroughs Success Personal growth Courage under pressure Confronting death Overcoming racial and gender barriers Foundations for a fulfilling life Business strategies from a CEO Breaking social barriers Caretaking Ethics and spirituality The need for mentors has never been more crucial as colleges and universities are teaching students how to memorize and spit out dates and names in order to pass tests but nothing about how to make your way through life Uncommon Wisdom captures the distillation of twelve

extraordinary men and women's experiences and the lessons that they have learned on their journey. One of the book's first readers said, "I only wish that I had read this book twenty years ago."

They're all excellent examples of how leaders under pressure manage to succeed.
