Images of Elvis Presley in American Culture, 1977-1997 George Plasketes, 1997 Was Al Gore only half kidding at the 1992 Democratic Convention when he compared Bill Clinton to the King Why does Elvis's name and image still pop up in so many movies television shows and songs From black velvet paintings comic books and postage stamps to impersonators movie characters and sports stars *Images of Elvis Presley in American Culture 1977-1997* provides a surprisingly broad vista from which to view American popular culture An insightful exploration of America's overwhelming and enduring cultural fascination with the expanding and elusive Elvis myth this book combines historical textual and sociocultural analysis with a wide range of resource materials to examine the many images of Elvis in American culture Focusing on the period following his death in 1977 up to the present *Elvis Presley in American Culture 1977-1997* informs and entertains popular readers and academicians in American studies popular culture radio television film sociology music and 20th century American history Elvis fans Elfans and collectors of Elvis Presley materials and memorabilia also need to add this perspective enhancing book to your personal libraries Author George Plasketes shows us how representations reflections responses and references to Elvis in art artifacts film video television music performance literature memorabilia and alleged sightings continue to make American culture a mystery terrain of endless Elvistas The repetition of these images is a link to our cultural identity *Elvis Presley in American Culture 1977-1997* provides the necessary critical analysis and the resource guide to the various representations of Elvis during the past 20 years to give readers an engaging and informative way to pursue and interpret the expansive and ever evolving Elvis myth and its importance to American popular culture [Elvis After Elvis](#) Gilbert B. Rodman, 2013-10-18 For a dead man Elvis Presley is awfully noisy His body may have failed him in 1977 but today his spirit his image and his myths do more than live on they flourish they thrive they multiply Why is Elvis Presley so ubiquitous a presence in US culture Why does he continue to enjoy a cultural prominence that would be the envy of the most heavily publicized living celebrities In *Elvis after Elvis* Gil Rodman traces the myriad manifestations of The King in popular and not so popular culture He asks why Elvis continues to defy our expectations of how dead stars are supposed to behave Elvis not only refuses to go away he keeps showing up in places where he seemingly doesn't belong Rodman draws upon an extensive and eclectic body of Elvis sightings from Elvis's appearances at the heart of the 1992 Presidential campaign to the debate over his worthiness as a subject for a postage stamp and from Elvis's central role in furious debates about racism and the appropriation of African American music to the world of Elvis impersonators and the importance of Graceland as a place of pilgrimage for Elvis fans and followers Rodman shows how Elvis has become inseparable from many of the defining myths of US culture enmeshed with the American dream and the very idea of the United States caught up in debates about race gender and sexuality and in the wars over what constitutes a national culture *Race and the Subject of Masculinities*

Harry Stecopoulos, Michael Uebel, 1997 Although in recent years scholars have explored the cultural construction of masculinity they have largely ignored the ways in which masculinity intersects with other categories of identity particularly those of race and ethnicity The essays in *Race and the Subject of Masculinities* address this concern and focus on the social construction of masculinity black white ethnic gay and straight in terms of the often complex and dynamic relationships among these inseparable categories Discussing a wide range of subjects including the inherent homoeroticism of martial arts cinema the relationship between working class ideologies and Elvis impersonators the emergence of a gay black masculine aesthetic in the works of James Van der Zee and Robert Mapplethorpe and the comedy of Richard Pryor *Race and the Subject of Masculinities* provides a variety of opportunities for thinking about how race sexuality and manhood are reinforced and reconstituted in today's society Editors Harry Stecopoulos and Michael Uebel have gathered together essays that make clear how the formation of masculine identity is never as obvious as it might seem to be Examining personas as varied as Eddie Murphy Bruce Lee Tarzan Malcolm X and Andre Gide these essays draw on feminist critique and queer theory to demonstrate how cross identification through performance and spectatorship among men of different races and cultural backgrounds has served to redefine masculinity in contemporary culture By taking seriously the role of race in the making of men *Race and the Subject of Masculinities* offers an important challenge to the new studies of masculinity Contributors Herman Beavers Jonathan Dollimore Richard Dyer Robin D G Kelly Christopher Looby Leerom Medovoi Eric Lott Deborah E McDowell Jos E Mu oz Harry Stecopoulos Yvonne Tasker Michael Uebel Gayle Wald Robyn Wiegman

The Companion to Southern Literature Joseph M. Flora, Lucinda Hardwick MacKethan, 2001-11-01 Selected as an Outstanding Academic Title by Choice Selected as an Outstanding Reference Source by the Reference and User Services Association of the American Library Association There are many anthologies of southern literature but this is the first companion Neither a survey of masterpieces nor a biographical sourcebook *The Companion to Southern Literature* treats every conceivable topic found in southern writing from the pre Columbian era to the present referencing specific works of all periods and genres Top scholars in their fields offer original definitions and examples of the concepts they know best identifying the themes burning issues historical personalities beloved icons and common or uncommon stereotypes that have shaped the most significant regional literature in memory Read the copious offerings straight through in alphabetical order Ancestor Worship Blue Collar Literature Caves or skip randomly at whim Guilt The Grotesque William Jefferson Clinton Whatever approach you take *The Companion's* authority scope and variety in tone and interpretation will prove a boon and a delight Explored here are literary embodiments of the Old South New South Solid South Savage South Lazy South and Sahara of the Bozart As up to date as grit lit K Mart fiction and postmodernism and as old fashioned as Puritanism mules and the tall tale these five hundred entries span a reach from Lady to Lesbian Literature The volume includes an overview of every southern state's belletristic heritage while making it clear that the southern mind extends beyond geographical boundaries to form an essential

component of the American psyche The South's lavishly rich literature provides the best means of understanding the region's deepest nature and *The Companion to Southern Literature* will be an invaluable tool for those who take on that exciting challenge Description of Contents 500 lively succinct articles on topics ranging from Abolition to Yoknapatawpha 250 contributors including scholars writers and poets 2 tables of contents alphabetical and subject and a complete index A separate bibliography for most entries

Infinite Elvis Mary Hancock Hinds, 2001 Here for the first time anywhere is a precise measurement of a celebrity's impact on American culture This annotated highly readable listing details the verified book titles magazines dissertations and significant articles about Elvis Presley The entries show that Elvis was more than just a popular culture phenomenon Besides documentation of his concerts the food he ate and posthumous Elvis sightings here is the proof of Elvis's impact on every aspect of American life his invention of rock n roll his spurring of the sexual revolution his influence on the civil rights movement how his death changed the media's treatment of celebrities and how a new religion devoted to Elvis has become part of the mainstream

Elvis Religion Gregory L. Reece, 2006-05-26 Investigates the rise of the King of Rock n Roll to god like status

The Printed Elvis Steven Opdyke, 1999-09-30 More than 400 books have been published on the American musical icon Elvis Presley This critical annotated guide contains reviews of the varied literature on Elvis from his career and its social and political aspects to biographies and discographies The annotated literature not only includes works by family friends and musical peers but also references and guides to Elvis collectibles Each entry details in addition to pertinent publishing and author information the specific perspectives and information unique to the literature The author provides assessments made by Elvis peers and an introductory essay discusses the surrounding contradictions and the enduring fascination with Elvis By covering the vast and different Elvis literature available this guide will appeal to scholars and fans alike Organized by type of literature the guide is easy to reference Informative addenda include a guide to collecting Elvis books and a chronological listing of Elvis books In addition to a general index the guide is indexed by author by songs films and album titles and by books magazines and publications This compilation offers valuable assistance and critical information to anyone researching some aspect of Elvis and his career

Elvis Presley Patsy G. Hammontree, 1985-10-24 Meant to be a field guide for further research it pitches to the most erudite echelons of Elvis fandom without going over the heads of the masses It is also easily the coolest most reasonable book about the Kink yet

Booklist The Hemingway Review, 2015 Kirkus Reviews, 1985 Adult books are categorized by genre i e fiction mystery science fiction nonfiction Along with bibliographic information the expected date of publication and the names of literary agents for individual titles are provided Starred reviews serve several functions In the adult section they mark potential bestsellers major promotions book club selections and just very good books in the children's section they denote books of very high quality The unsigned reviews manage to be discerning and sometimes quite critical

The Journal of Country Music, 1986 **The First Rock & Roll Confidential Report** Dave Marsh, 1985 *Cosmopolitan*, 1956 *Library Journal*

,1987 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **Book Review Index** Gary C. Tarbert, Barbara Beach,1985-04 Journal of the African Literature Association ,2007 *The New York Times Book Review* ,1987-07 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback Brushing the Teeth of Elvis' Monkey Chris Bentley,1996-02
