The World-Literary System and the Atlantic Sorcha Gunne, Neil Lazarus, 2020-12-30 The World Literary System and the Atlantic grapples with key questions about how American studies and the Atlantic region in general engages with new considerations of literary comparativism international literary space and the world literary system The edited collection furthers these discussions by placing them into a relationship with the theory of combined and uneven development a theory that has a long pedigree in Marxist sociology and political economy and that continues to stimulate debate across the social sciences but whose implications for culture have received less attention Drawing on the comparative modes concepts and methods being developed in the new world literary studies the essays cover a diverse range of topics such as the periodization of world literature racism and the world system singular modernity critical realism commodity frontiers semi peripherality and world ecology The chapters in this book were originally published in the journal *Atlantic Studies*

Anne of Tim Hortons Herb Wylie, 2011-04-25 Anne of Tim Hortons Globalization and the Reshaping of Atlantic Canadian Literature is a study of the work of over twenty contemporary Atlantic Canadian writers that counters the widespread impression of Atlantic Canada as a quaint and backward place By examining their treatment of work culture and history author Herb Wylie highlights how these writers resist the image of Atlantic Canadians as improvident and regressive if charming folk After an introduction that examines the current place of the region within the Canadian federation and the broader context of economic globalization Anne of Tim Hortons explores how Atlantic Canadian writers present a picture of the region that is much more complex and less quaint than the stereotypes through which it is typically viewed Through the works of authors such as Michael Winter Lisa Moore George Elliott Clarke Rita Joe Frank Barry Alistair MacLeod and Bernice Morgan among others the book looks at the changing and increasingly corporate nature of work the cultural diversification and subversive self consciousness of Atlantic Canadian literature and Atlantic Canadian writers often revisionist approach to the region's history What these writers are engaged in the book contends is a kind of collective readjustment of the image of the region Rather than a marginal place stranded outside of time Atlantic Canada in these works is very much caught up in contemporary economic political and cultural developments particularly the

broad sweep of economic globalization *Pathways of Creativity in Contemporary Newfoundland and Labrador* María Jesús Hernández Lerena, 2015-09-18 The Canadian province of Newfoundland and Labrador is a mythologized place that resonates with tragic adventure polar expeditions and Grand Banks fishing a real and imagined geography with an incredible artistic output that calls for critical discussion This book examines the diversity of this province's literature and culture taking into consideration the expertise of scholars and writers who have first hand knowledge of its unique context Chapters on history travel fiction autobiography poetry theatre storytelling filmmaking and the visual arts provide an up to date survey across a broad range of artistic endeavours as well as close readings of selected texts The questions that fill the pages of *Pathways of Creativity in Contemporary Newfoundland and Labrador* arise from the awareness its contributors have of historically shared experiences but also of shared delusions and their essays provoke contemplation beyond the labels local global Newfoundlander Come From Away Aboriginal histories and writing come to the foreground in this panoramic view that balances descriptions of mainstream vernacular and Indigenous cultural productions The final chapter is organized as a multi-voiced interview which serves as a supplement to the academic essays Here themes are revisited and personalized as several writers express their feelings about what it means to be a Newfoundlander and an artist As such this book will encourage dialogue about Newfoundland and Labrador's literary and artistic achievements within the international community of readers and researchers
