The Cephas Chronicles:

The Cephas Chronicles Robert Friedman, 2005-06 Early in the first century a Jewish fisherman from the Kinneret had a life shaking encounter with Yeshua called the Nazarene Soon after the Messiah had directed him to seek and catch men in another kind of net his new found joy was often threatened by old traditions and unexpected challenges Today the world knows this brash disciple as Peter or Simon Peter yet the Lord called him Cephas The one who had denied Him now proclaimed Him to every listening ear in Israel As the prophets had foretold the Messiah had come to His people the seed of Abraham to offer forgiveness and eternal life Yet through divine intervention and astonishing instructions Cephas would venture out into another world a frightening and unfamiliar world to bring his message to He shuddered to think about it

The Morgan Chronicles **The Paladin Chronicles Book bundle 1-4** Neil Port, Mega book bundle Over 1700 pages 6000 000 words of Epic Fantasy adventure love some historical fantasy and a light sprinkling of humour All set in ancient times and exotic locations The story begins with Hakeem a mercenary from the desert city of Karsh in what is now Syria Growing up in a monastery all he ever wanted was to become a religious monk He can t understand why he was refused by the Grand Abbot whom he loved like a father The old man told him he was destined to become something called a paladin Broken hearted and penniless he runs away making a long journey to join the desert mercenaries fighting in the Greek colonies on the western coast of Turkey Paladins were very rare and the Shayvist monks believed they were sent by their God each with a great task The old Abbot didn t know that a second child had already been sent but what possible task would require two paladins After fighting in a war in Greek Turkey Hakeem rises to the level of a senior commander and is summoned home by the new Grand Abbot of his people Little does he realise then that he will soon be caught up in events that were prophesied two thousands years before The once mighty Elves are fading They have lost almost all their magic Their numbers are shrinking They no longer live longer than humans and each year they have fewer and fewer children Their final destruction has been foretold and now the time is all but upon them They are destined to face barbarian hordes greater than the time of the Aryans accompanied by an ancient sorcerer who can command a demon army There seems little hope that it wont overwhelm them completely and destroy them without a trace Only through an ancient prophecy can they be

saved Hakeem an Elvish Princess and their adopted daughter join to flee assassins and begin the search for a way to save the Elves Readers Favorites Reviews Historical fantasy really doesn't get better than this first rate truly memorable A brilliant job of writing merges elves into Greek mythology and creates strong and fascinating characters Rating 5 0 stars
