## **Solving Conflicts A Peace Research Perspective:**

**Solving Conflicts** Johan Galtung,1989 *Peace by Peaceful Means* Johan Galtung,1996-07-31 Two definitions of peace underlie this major work The first definition of peace is dynamic the state of affairs that makes the nonviolent and creative handling of conflict possible The second definition is static an absence of direct structural and cultural violence *Emergent Conflict and Peaceful Change* Hugh Miall,2007-02-28 Hugh Miall draws upon conflict theory case studies of averted conflict and a survey of the preventors of war since 1945 to explore how some conflict can be avoided at times of great social or political change He also looks ahead to discuss the prevention of emerging global conflicts focusing on climate change

**Nationalism and Intra-State Conflicts in the Postcolonial World** Fonkem Achankeng,2015-09-28 This book highlights the complexities of nationalism and the struggles of different groups left unaddressed within the nation states of a postcolonial world The central question is what happened to the worldly and radical visions of freedom liberty and equality that animated intellectual activists and policy makers from Woodrow Wilson in the 1920s This book analyzes the outcome of lumping disparate groups of people together under one nation state and holding them together against the knowledge of the incompatibility theory of plural states In a world of arbitrarily and colonially mapped sovereign states groups and nations with distinctive histories and cultures trapped within the borders of sovereign states want the freedom to decide their own destinies This book challenges deconstructs and decolonizes Western epistemologies related to postcolonial state formation and maintenance In examining the freedom concept that no human group ought to be determining the independence of other human groups this book constructs an alternative conceptualization of nations and peoples rights in the twenty first century in which radical hopes and global dreams are recognized as central to internal nationalism struggles **Contemporary**

**Conflict Resolution** Oliver Ramsbotham,Hugh Miall,Tom Woodhouse,2011-04-11 Offering an assessment of the theory and practice of conflict resolution in post Cold War conflicts this book addresses a number of questions It explores the nature of contemporary conflict and the development of conflict resolution **The Peacemakers** Hugh Miall,2016-07-27 The UN

Charter commits member states to settle their disputes by peaceful means but despite this there have been only 26 days since 1945 in which armed conflict has not been underway Nevertheless many conflicts have been settled without war since 1945 Drawing on case studies interviews with mediators contemporary theories of conflict resolution and a comparative analysis of over eighty peaceful and armed conflicts this book asks what can be learned from this historical experience

Resolving Deep-Rooted Conflicts Herbert C. Kelman,2016-07-15 This book is a collection of articles and essays by Professor Herbert C Kelman a leading figure in the conflict resolution community and one of the most influential peace researchers Professor Kelman a social psychologist has been a pioneer of conflict resolution and peace research and his work in conflict resolution has included a decades long action research program on the Arab Israeli conflict which has seen the development of Interactive Problem Solving Workshops an approach which has had a deep impact not only on research but

also on the practice of conflict resolution around the world and especially in the Middle East Focusing on Kelman s conflict resolution related work this volume comprises an important collection of articles written by Kelman across his career as academic and practitioner By bringing together these carefully selected articles the book offers a concise overview of the body of Kelman s work and his intellectual biography It traces the origins of the field of conflict resolution the development of the study and practice of Interactive Problem Solving Workshops and the wider challenges faced by conflict resolution research and practice This book will be of much interest to students of peace and conflict studies conflict resolution psychology and IR in general

**Understanding and Managing Conflict** ,2006 *Peace and Development in the Pacific Hemisphere* Johan Galtung,1989 **Arbitration as a Means of Solving Conflicts** Britt Mari Persson Blegvad,Per Olof Bolding,Ole Lando,1973 **Conflict Resolution and Ethnicity** Muḥammad Rabī',1994-08-30 This book follows an approach that combines the viewpoints of both the realists and the idealists in dealing with the issues of conflict and peace The ideas models and peace processes it proposes take into consideration the imperatives of real life without abandoning the dreams of a more peaceful and just world The shared homeland model as developed here provides hope that ethnic conflict can be resolved in a manner that satisfies a group s need for recognition and cultural particularism as well as its need for economic development security and regional activity The book also defines and integrates steps of political conflict resolution into one theory that produces one of the first textbooks on the subject **Johan Galtung** Magne Barth,1990 *The Origin of the Idea of the Pacific Free Trade Area* Pekka Korhonen,1992 Yooyaku **To Nonviolent Political Science** Glenn D. Paige,1993 *Lettre de L'UNIDIR* ,1990 Nonviolence and Israel/Palestine Johan Galtung,1989 *Standing on an Isthmus* Ayse S. Kadayifci,2007-09-09 *Standing on an Isthmus* explores the role of religion particularly Islam in the Israeli Palestinian conflict as a factor both motivating the conflict and as a potential resource for its resolution It examines how religious beliefs commitments and traditions shape and influence concrete social action such as promoting either violent or peaceful behavior and focuses on the legitimation process of religious narratives More specifically it looks at different Islamic interpretations of war and peace within the Islamic tradition and investigates why an extremist interpretation is becoming more accepted among Palestinians as a response to the conflict *Standing on an Isthmus* has become particularly important in the post September 11 era when the relationship between violence and religion in general and Islam in particular became a central concern for scholars and politicians Other horrific acts such as the 2002 Bali bombings and 2004 Beslan School Siege have also significantly contributed to the image of Islam as a violent religion *Standing on an Isthmus* examines the internal dialogue that rages among Islamic scholars for the correct interpretation of Islam sheds light on why Islamic extremism has

come to be accepted as a strategic tool among some Islamic groups and investigates the role of social institutions and civil society networks utilized by different groups in the process of legitimizing their interpretation. Consequently, it addresses a series of new topics for conflict resolution studies, including religious and pragmatic motivations of behavior, struggle between moral values, multi-faith dialogue and pluralism as conflict resolution strategies, and the socio-political impact of leadership legitimation and the role of interpretation of sacred texts during conflicts among others. Moreover, it seeks to answer the questions: how can we utilize religion in this case, Islam, as a resource for peacemaking, and what is the best strategy to empower those groups and indi

### **Solving Conflicts A Peace Research Perspective Introduction**

In today's digital age, the availability of Solving Conflicts A Peace Research Perspective books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Solving Conflicts A Peace Research Perspective books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Solving

Conflicts A Peace Research Perspective books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Solving Conflicts A Peace Research Perspective versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Solving Conflicts A Peace Research Perspective books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Solving Conflicts A Peace Research Perspective books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded.
