*Frozen Line* Rachel Brennan,2026-02-10 The factory owner expected them back by Monday They did not come back Instead they stood outside the gates arms locked refusing to produce another unit until their demands were heard Some strikes failed and broke the workers Others succeeded and broke the system All of them changed something This book examines pivotal labor disputes throughout history From the Match Girls of London to the Flint Sit Down Strike you will learn how ordinary workers with no individual power discovered that collective refusal was the only leverage they had Some of these stories are triumphant Others are tragedies All are instructive The Frozen Line is not nostalgia for a bygone era of labor militancy It is a study of power dynamics that remain relevant In every workplace the question persists who holds leverage and what happens when those without it decide to create their own The production line freezes History moves

**How Work Works** Michelle P. King,2023-10-10 A unique and revelatory guide to understanding and navigating the unwritten rules of the workplace the key to achieving success finding meaning and staying true to your authentic self in today s business world from the organizational expert and celebrated author of *The Fix* In her two decades researching organizations Michelle King has discovered that people who succeed possess a particularly unique skill They know how workplaces work More specifically to get ahead they do not rely on the often generic and outdated written formal rules that for a century have defined the workplace Instead they have learned to gauge how they should behave and perform by becoming aware of informal and unspoken rules that exist just below the surface rather than formal organizational guidelines In this one of a kind guide King offers her proprietary framework based on over ten years of research and hundreds of employees who reached leadership positions By focusing on five key areas navigating informal networks developing self awareness and awareness of others learning the skills you need to be adaptive to changing conditions getting support for your next promotion and finding meaning and fulfillment at work King teaches every professional how to understand and make these systems work for them and achieve their career ambitions The new world of work requires a new way of working With more people vying for top positions a volatile unpredictable global workplace and an ever evolving landscape it is increasingly important for employees to understand how to negotiate the unspoken and intangible elements of workplace culture In *How Work Works* King dispels old myths and provides keen observations about what it means to find

belonging build networks manage the informal and ultimately thrive at work      **Rethinking Work** David L. Blustein, Lisa Y. Flores, 2023-05-23 This collection of brief essays by thought leaders scholars activists psychologists and social scientists imagines new workplace structures and policies that promote decent and fair work for all members of society especially those who are most vulnerable The world of work has been deteriorating for decades and the very institution of work needs to be systematically understood critiqued reimaged and rebuilt This book offers thoughtful suggestions for new work arrangements individual strategies for enhancing one s work life and recommendations for innovative systemic and institutional reforms The collection offers critical analyses in conjunction with constructive solutions on rebuilding work providing direction and context for ongoing debates and policy discussions about work The book will be of interest to activists policy makers management and leaders scholars professionals students and general readers interested work based reform efforts and social change      **Contemporary Challenges in Social Science Management** Anne Marie Thake, Kiran Sood, Ercan Özen, Simon Grima, 2024-03-20 Enriched and strengthened with European case studies of real life situations providing a practical and industry insights Part A and B collate experts in Economics Finance Public Policy Human Resources and Risk management contributing on employability labour markets sustainability and skills of the future from across the globe      **Automatic and Remote Control** International Federation of Automatic Control, 1960      *Negotiation for Entrepreneurship* Vimal Babu, Robert Hisrich, 2023-01-10 Everyone has desires Spiritual leaders too give up the mundane life However they carry the deeply rooted desire to attain insights and enlightenment eventually Irrespective of what life one leads one core but common desire is to enjoy the autonomy to make decisions However life introduces one to several ups and downs resulting in both successes and failures Nonetheless one desires to be happy throughout and enjoy whatever is in possession Also one aspires to achieve all that one feels capable of achieving thus driving oneself to take risks against the opportunities identified In the backdrop the present book is for every individual who is either an aspiring entrepreneur or serial entrepreneur irrespective of the domain expertise or industry one represents The book attempts to focus and address a pressing pain point of entrepreneurs quite often entrepreneurs fail to strike great deals on account of poor negotiation skills The stated pain point not only becomes a hindrance in the initial stage of start ups but it also becomes a major challenge for the entrepreneur as the start up scales up expands diversifies or exits from the market The book is an attempt to eliminate the pain point of poor negotiation skills one of the major factors responsible for the success and failure of start up ventures in modern times      Broadcasting ,1980      **Broadcasting, Telecasting** ,1955      **The Dock and Harbour Authority** ,1982      The Current Digest of the Soviet Press ,1965      **Mini-micro Systems** ,1983-07      **Welding Journal** ,1991      **Bulletin [English Ed] [New Series]** International Railway Congress Association, 1964      *Personnel Management, New Perspectives* Albert W.
