Word Is Out:

The Word is Very Near You Fr. Wilfrid Stinissen, O.C.D., ,2020 My wish writes Father Wilfrid Stinissen is to give some simple advice on how we can draw nearer to God s Word and let it penetrate us in order that it will bear fruit in our lives The acclaimed spiritual writer and Carmelite priest says that all Christian literature and preaching are nothing more than an attempt to explain and interpret what God himself has spoken to us in the Bible God is active in his holy Word and he is also active in man s seeking and study in his research and knowledge In Judaism the study of Scripture has always had a prominent place and the same is true of Christianity from the beginning as can be seen above all in the writings of the Church Fathers Some modern scholars have also made important discoveries that help illuminate even more the Bible s broad colorful vistas Yet without prayer scholarship is only superficial glitter destined to fade away Father Stinissen teaches that prayer and the reading of Scripture belong inseparably together and he shows the reader how combining them leads a person to close communion with God
