

Part 2: How to manage your money while shopping?

Your class has been discussing the importance of spending money wisely and your teacher has asked you to write an essay about how you spend your money.

In your essay, you should write about:

- the things you spend your money on
- where you buy these things
- how you save money while shopping

Impulsive buying is a widespread inappropriate shopping behaviour. We must manage our **hard-earned** money wisely so we will not overspend. Therefore, all Malaysian must have **good financial planning**.

I usually spend my money on **daily necessities** such as food, beverages, **stationery** and so on. Besides, I love to buy **fashionable/trendy** clothes and shoes. Nowadays, I spend more time on **online shopping platforms** such as Lazada and Shopee to buy my favourite items. It is so **convenient**.

Saving money is very important. I always look for **discount vouchers** when I buy goods/products on online shops. Besides, I **prepare a shopping list** so I can control myself and stop the **temptations** 诱惑 of beautiful clothes or accessories. Furthermore, I must compare the prices with other shops before buying the things I wanted. Other than that, we must **save the loose change** in the moneybox/ piggy bank. Put the moneybox at **noticeable area** to remind myself that I must save money everyday.

In a nutshell, we must have **self-control** when we go shopping so we will not **overspend** our money as the wise saying goes **money does not grow on trees**.
