Zuck, 2002-01-09 Bible teachers have an ideal model for evaluating their pedagogy: the Master Teacher Jesus. Read through the Gospels and you quickly reach the conclusion that Jesus was a dynamic, remarkably effective teacher: never boring, always stimulating, never obtuse, always clear, never pompous or distant, always personal and lovingly concerned. Writes Roy Zuck: Zuck explores Jesus' involvement of students in the learning process, his modeling of truth, his method of responding to questions, his use of rhetorical technique, visuals and illustrations, and his attitude toward those who sat under his instruction. Zuck covers the Rabbi's overall style and its impact on disciples, the general public, and those who rejected him.

Heart-Deep Teaching Gary C. Newton, 2012-05-01 When teaching the Bible, what is the best theory and what are the best practices to stimulate deeper student learning? Heart-Deep Teaching was written for parents, teachers, and students of the Word who desire to apply its principles in life-transforming ways. The concept of heart-deep teaching and learning is based on a Hebrew understanding of the heart as the innermost essence of a person that involves the mind, emotions, and will. When the heart is engaged by the power of the Holy Spirit within the context of God's Word, both character and behavioral changes occur. To actively engage students' emotions, mind, will, and body in learning, a heart-deep teacher uses strategies involving interaction, drama, reflection, story-telling, wonder, movement, creativity, acting out, problem-solving, and wrestling with the principles discovered in the biblical text. By integrating accurate methods of analyzing the biblical text and current

research in teaching and learning the book attempts to help teachers understand the theoretical and practical skills to create their own lessons adapt lessons from published curriculums and improve their own strategies of studying and teaching the Word

She Can Teach Jackie Roesse, 2013-10-04 Conservative evangelical women are least likely to be trained in the areas of teaching and preaching It is a tragic state of affairs given the central value that our tradition places on the Scriptures In this book Jackie Roesse examines the forces both past and present that have discouraged women from becoming trained We will discover that women are indeed called gifted and mandated in Scripture to herald the Word of God The first half of the book will focus on encouraging women to become as fully equipped as our male counterparts and to use their uniquely female voice in proclaiming truth to other women in various settings outside pulpit preaching But encouragement isn't enough Many women who already teach Bible studies or who desire to teach are in no position to pursue formal studies in a seminary To that end the second half of *She Can Teach* is dedicated to developing homiletic skills Together we will learn how to study a passage find the main idea and build and deliver a biblical message By the end of this book the reader will be better equipped to proclaim truth through her uniquely female voice to her female audience
