one **Biblical Discipleship: Essential Components for Attaining Spiritual Maturity** Dr. Todd M. Fink, 2017-04-17

Today we have many ways of defining success in life. Some define it as being a sports hero, others as being wealthy, others as being popular and well liked, and still others as being happy. How does God define success? He defines it as being spiritually mature. How do we become spiritually mature? There's only one way, and it's called discipleship. However, statistics show that discipleship is in a state of crisis today. Many Christians are not growing in Christ and are stuck in the process of reaching spiritual maturity. A Barna study reveals that almost nine out of ten senior pastors of Protestant churches assert that spiritual immaturity is one of the most serious issues facing the church. Sadly, what discipleship meant in the time of Christ and what it means today is vastly different. Moreover, the importance Christ and the Apostles gave to discipleship is also stunningly different than the importance many Christians and churches today give it. Unlike the disciples who had much of Scripture memorized, a whopping 81% of Christians today don't read their Bibles regularly. Unlike Christ's disciples who were Fishers of Men, 61% of believers today have not shared their faith in the past six months. And sadly, unlike Christ and the Apostles who made discipleship the central focus of their ministries, 81% of pastors today have no regular discipleship programs in their churches. Discipleship is being neglected today, and the consequences are crippling many Christians and churches. This book hopes to change that. Chapter 1 focuses on the state of discipleship today and exposes the sad truth that it's in crisis mode. Chapter 2 reveals 13 key factors contributing to the lack of discipleship today. Chapter 3 defines biblical discipleship based on central phrases Christ used in His ministry. Chapter 4 brings to light 14 essential components of the discipleship-making process that must be understood and practiced in order to attain spiritual maturity. Chapter 5 provides practical how-to help for growing in Christ. It includes self-assessment tests for measuring your level of spiritual maturity in each essential component of discipleship and gives hands-on useful ideas for taking steps toward spiritual maturity. Discipleship is a command for all believers and is our highest calling. This book provides biblical help for fulfilling this calling and seeks to discover what God says about genuine growth in Christ. It's both an informative book and a how-to book. It deals with the barriers that are hindering discipleship and offers practical help for overcoming these barriers and attaining spiritual maturity. So, are you ready to grow? Would you like to be pleasing to God? Would you like to fulfill the reason for which you've been created? Would you like the full blessings of God in your life? Would you like to become spiritually mature? Would you like to hear Christ's words, "Well done, good and faithful servant, when you arrive in heaven"? If so, this book is for you. **Spiritual Connections** Brian P. Hall, 2006-08-01

In *Spiritual Connections: The Journey of Discipleship and Christian Values*, psychologist/priest Brian P. Hall shares his own discernment of God's will in order to instruct others about their own personal discernment of Jesus' call to discipleship. In an easily read though highly focused form, he instructs the reader on practical skills basic to making faith, hope, and love vital. Here is a map of the landscape of discipleship as mediated by the values which energize our lives. The thoughtful reader will come away with a deeper sense of his or her own values, how these reflect and

express one's personal relationship with Jesus and from an empirical research point of view how elegantly these values make sense of our being called forth into all that God intend us to become James B Ashbrook author of *Minding the Soul Pastoral Counseling As Remembering* Dr Brian P Hall is Professor Emeritus of Pastoral Counseling at Santa Clara University and an ordained Episcopal priest He is also chairman of Values Technology an organization committed to training religious and corporate leaders in values theory and its application in order to bring about changes that result in a more caring interdependent society worldwide
