Religious Seekers and "finding a Spiritual Home" Thomas Kingsley Brown,2000 *Spirituality and Meaning Making in Chronic Illness* Kelly Arora,2020-02-21 Many spiritual caregivers including chaplains spiritual directors and clergy are unaware of how they can support people with chronic health conditions This book combines insights on chronic illness with spiritual care skills and suggestions to enhance well being for people living with long term illness Using a narrative approach the author reflects on the stories of two women Dorothy from The Wizard of Oz who travels from Kansas a state of health to Oz an illness experience alongside the author s personal experiences of managing an incurable autoimmune disease Chapters will include guidelines and exercises that help equip caregivers to facilitate healing with people who live with long term health conditions

The Living Politics of Self-Help Movements in East Asia Tom Cliff,Tessa Morris-Suzuki,Shuge Wei,2017-12-04 This collection elucidates the complexity of living politics in the 21st century considering how self help groups draw on shared regional traditions and how they adapt their actions to the diverse formal political environments in which they operate It considers the nexus between ideas and action in a world where the conventional right left divide has a decreasing hold on the political imagination Examining grassroots self help actions as responses to everyday life problems it argues that whilst action may be initiated by encounters with ideas that come into the community from outside often the flow of cause and effect works in the opposite direction Focusing on countries both politically dynamic and with long standing historical and cultural connections China including Inner Mongolia Japan Taiwan and Korea this book fills a significant gap in the literature on social movements demonstrating that survival itself is a political act

Marx and We Sun Zhengyu,2024-08-01 Marxist ideology is the only fully scientific ideology the only one able to guide mankind toward the settlement of fundamental social problems and to point out the royal road for the proletariat to take in its march toward socialism and communism Without Marxism modern people cannot establish true social ideals nor can they engage in the rational pursuit of values Without Marxism modern people cannot choose the correct path of development nor can they build up new forms of civilizations Without Marxism modern people would never base their commitments to schedule the consensus building effort and support the consensus building
