**The Children of Now . . . Evolution** Meg Blackburn Losey, 2014-11-01 Humanity is in a fast forward stage of evolution We saw this first with the Bridge Generation For the past several decades children are born into our world with various gifts and knowing first introduced as Indigo Children and as generations have passed referred to as Crystalline Children Star Children and more In these times we bear witness to how consciousness and the minds of the future of humanity are changing in spectacular ways This is a phenomenon that should not be ignored Who are these amazing beings and why are they here What is happening that causes some kids to remember where they came from who they were in past lives that they are natural healers and so sensitive that they can't keep still How is it that they feel everything and can't distinguish what feelings belong to them and what belongs to others In this follow up to her bestselling book *The Children of Now* Meg Losey revisits these spectacular children and discusses who they are becoming and how their growing influence is changing society for the better *The Children of Now Evolution* addresses the following What is the magic of these children who embody unconditional love and have the foresight to see a new future for our people and our planet How do their minds work and why are they hyper sensitive in some ways and desensitized in others Is our DNA changing and taking us into a new or different physiology What does autism ADD ADHD bipolar disorder Asperger's Syndrome have to do with Crystalline Children and Star Kids if anything Why are so many kids being drugged Why are so many young adults falling off the edge into darker more destructive thoughts and actions from self abuse with drugs to hurting themselves and worse How are vaccines GMO in our foods contributing to mutating human biology particularly our DNA How are we society parents caregivers and guardians failing to give these kids what they need How can we What will it take How can we structure our schools to meet the needs of these kids Instead of surviving their educations how can we help them to thrive Losey offers concrete information for parents schools and others to understand what these kids need and how to help them function and flourish Too often these children are mislabeled as ADD or ADHD or worse She also addresses the metaphysical realities that these children and others perceive There may not be monsters in the closet or under the bed but these highly evolved children may actually be seeing things that their parents or caregivers cannot Finally she paints a picture of what our world will look like when the Children of Now take over With new research and reports from the field *The Children of Now Evolution* is even more important to the families of today and tomorrow

**Conspiracy and Triumph** Aaron John Gulyas, 2021-11-09 Conspiracies have always been part of American culture but with the rise of social media has come an increase in belief in nontraditional explanations of events This book highlights a subset of conspiratorial beliefs that grew in popularity in the early 21st century These beliefs and the growing cynicism of the media have left conspiracy theorists with deep distrust of those in authority A number of theories that have arisen over the years are explored From QAnon beliefs regarding the United States government to UFO reports and other hidden agendas it is clear that we continue to challenge old ways of thinking

[Morning Star's Child](#)

Joseramon Aguilar F.,2007-09-24 Morning Star s Child is the painful spiritual journey of Kevin McCulloum from the Church s unspoken directive to her gay sons The confusion of the soul that comes from the church s rejection forces the young man born under the influence of planet Venus the planet of love and beauty to search for spiritual honesty and compassion on the teachings of Buddha and Jesus Christ It presents the story of two young men that due to circumstances not under their control are unable to love one another and their attempt to cheat their ill fated relationship We are introduced to Kevin as his puritanical father rejects him when the father realizes that his beautiful son is gay In a trip to Italy he finds out from a gypsy fortune teller that he is fated to a life of loneliness and that he is doomed to not finding his ideal mate or partner in life He comes back to Chicago only to find that his father still rejects him In the year when the planet Venus has completed its 8 cycle run across the sky and has emerged from the underworld Kevin runs away to Puerto Vallarta where he meets a priest and recognizes him to be his other half from previous lives Because our hero is not meant to find happiness in this life cycle he is sent away by his priest friend to find the life he is unable to give him But before he leaves they travel to the Copper Canyon to make a sacrifice to the Goddess of Love where they swear to love one another in this life In doing so they attract the attention of the gods trapped within the stars to their doomed relationship In the canyon an Indian priestess tells Eduardo that Kevin will live an unfulfilled life and that when the 8 cycles of planet Venus going around the sun have been completed once again Kevin will come back to him dying and together they will witness the passing of their souls Kevin is made to forget all that has happened in Mexico but he is promised that on a night when witches rule the night and the time has come for his return he will remember all that has been hidden from him We find our hero now living in San Francisco He is an incredibly beautiful man who has not been able to form a lasting relationship with anyone including his father but who has been true to the spiritual honesty and compassions to others He has written a fictional novel mirroring his experiences in Mexico Eight cycles of Venus going around the sun have passed since he was made to forget meeting Eduardo and Kevin is now thirty years old On this fated year Kevin finds out that he doesn t have long to live and is dying of AIDS And on the night of Halloween when witches rule the night he descends to the Castro to join the feast On this night all is revealed to him and he remembers as he was promised the truth He leaves San Francisco and returns to Mexico in search of Eduardo for the meeting and passage of their souls
