Laurence Collection, Henry Boettcher, Bernard Shaw, Carnegie Institute of Technology, Pittsburgh. Dept. of Drama and Music, 1993 **From Glimpses to Glory; How the Vision Becomes Reality** Beverly Carroll, 2011-02-24 I can see her This simple sentence is packed with power and serves as a catalyst for transformation It is a rallying cry for women who will read this book and dream of who they can be in Christ This book offers women the opportunity to move beyond the glimpse to the glory by introducing them to the One Who not only allows the glimpse but then works with them to make the vision a reality He allows them to see her and enables them to be her They will experience God their Divine Traveling Companion for the journey in fresh and dazzling ways as He plots their paths and orders their steps all the way to glory **Phenomenology and the Physical Reality of Consciousness** Arthur Melnick, 2011 The predominant positive view among philosophers and scientists alike is that consciousness is something realized in brain activity This view however largely fails to capture what consciousness is like according to how it shows itself to conscious beings What this work proposes instead is that consciousness is a phenomenon that exists in and throughout the body Apart from whether or not it involves intentionality and apart from whether or not it involves awareness of the self consciousness is self intimating self revealing self disclosing Self disclosure is the definitive phenomenological character of consciousness in all its forms Taking this stance as a point of departure the book presents a specific account of what bodily field phenomenon consciousness is In this way the current stalemate in philosophy over the question of the physical reality of consciousness is broken Series A The Nature of the Physical World Sir Arthur Stanley Eddington, 1928 A Study of the Modern Drama Barrett Harper Clark, 1928 **Reality**, 1925 *The Pathway to Reality* Richard Burdon Haldane Haldane (Viscount), 1904 Historical Tales; the Romance of Reality Charles Morris, 1893 Thought and Things: Interest and art, being real logic.
