## **The Glory Of Absence:**

**The Glory of Absence** Jalāl al-Dīn Rūmī (Maulana), Nevit Oguz Ergin, 1997 Favorite poems selected from Meter 2 of the Divan i Kebir Selected poems from Meter 1 of the divan i Kebir are translated in A Rose Garden Conspicuous in His Absence Chloe Sun, Chloe T. Sun, 2021-02-23 In the biblical canon two books lack any explicit reference to the name of God Song of Songs and Esther What is the nature of God as revealed in texts that don't use his name Exploring the often overlooked theological connections between these two Old Testament books Chloe T Sun takes on the challenges of God's absence and explores how we think of God when he is perceived to be silent The Absent God in the Works of William Wordsworth Eliza Borkowska, 2020-11-29 Called by one of its reviewers Wordsworth's biographia literaria this book takes its reader on a fascinating journey into the mind of the poet whose attitude to God and religion points to a major shift in Western culture The monograph probes the philosophical foundations of Wordsworth's religious outlook drawing attention to this First Generation Romantic poet as the author who happened to record in his verse the rise to prominence of some of the intellectual and spiritual challenges and the most troublesome uncertainties that have defined Western man ever since The book constitutes a self-contained whole and can be read independently Simultaneously it creates an unusual duet with the companion volume The Presence of God in the Works of William Wordsworth These two works can be regarded as contraries or negatives one offering an ironically positive reading of Wordsworth's religious discourse the other offering a reading which is positively negative **Binding the Absent Body in Medieval and Modern Art** Emily Kelley, 2017-07-05 This collection of essays considers artistic works that deal with the body without a visual representation It explores a range of ways to represent this absence of the figure from abject elements such as bodily fluids and waste to surrogate forms including reliquaries manuscripts and cloth The collection focuses on two eras medieval and modern when images referencing the absent body have been far more prolific in the history of art In medieval times works of art became direct references to the absent corporal essence of a divine being like Christ or were used as devotional aids By contrast in the modern era artists often reject depictions of the physical body in order to distance themselves from the history of the idealized human form Through these essays it becomes apparent even when the body is not visible in a work of art it is often still present tangentially Though the essays in this volume bridge two historical periods they have coherent thematic links dealing with abjection embodiment and phenomenology Whether figurative or abstract sacred or secular medieval or modern the body maintains a presence in these works even when it is not at first apparent **Romans** F. Leroy Forlines, 1987-12 Here's the perfect commentary to help readers understand biblical truths and communicate those truths to others The verse by verse expositions highlight and explain important Greek words from the original manuscripts They also examine the difficult theological concepts A great reference for laymen teachers and preachers Bound in an attractive hardcover with dust jacket **The Chronicler as Theologian** Matt Patrick Graham, Steven L. McKenzie, Gary N. Knoppers, 2003-01-01 The

fifteen articles in this volume arising from work in the Chronicles Ezra Nehemiah Section of the Society of Biblical Literature engage with the author's thought and message through analysis of certain critical texts or by identifying and tracing larger themes through the work. The collection follows *The Chronicler as Historian* and *The Chronicler as Author*. Like these previous volumes, this book also endeavours to show the diverse approaches employed in Chronicles scholarship. Contributors: Robert H. Smith, Allen W. Mueller, Gary N. Knoppers, Gerrie F. Snyman, Ehud Ben Zvi, Philip Abadie, Mark A. Throntveit, Leslie C. Allen, Christopher T. Begg, Roddy L. Braun, John C. Endres, Isaac Kalimi, Brian E. Kelly, William M. Schniedewind, and John W. Wright.
