The Underground Man:

The Underground Man Ross Macdonald,2010-12-01 As a mysterious fire rages through the hills above a privileged town in Southern California Archer tracks a missing child who may be the pawn in a marital struggle or the victim of a bizarre kidnapping What he uncovers amid the ashes is murder and a trail of motives as combustible as gasoline The Underground Man is a detective novel of merciless suspense and tragic depth with an unfaltering insight into the moral ambiguities at the heart of California s version of the American dream If any writer can be said to have inherited the mantle of Dashiell Hammet and Raymond Chandler it was Ross Macdonald Between the late 1940s and his death in 1983 he gave the American crime novel a psychological depth and moral complexity that his predecessors had only hinted at And in the character of Lew Archer Macdonald redefined the private eye as a roving conscience who walks the treacherous frontier between criminal guilt and human sin *The underground man* Ross Macdonald,1968 **The Underground Man** ,1996 **The Underground Man** Mick Jackson,1998 Offers a humorous and often moving portrait of the remarkable fifth Duke of Portland a fabulously wealthy eccentric nineteenth century nobleman who constructed a vast network of underground tunnels from which he would escape to the world outside *The Underground Man* J. P. Hailey,1990 Lawyer Steve Winslow defends his teenaged client from the charge of having murdered his uncle in the New York City subway system a seemingly impossible task considering the amount of circumstantial evidence available and the youth s obvious motive *Notes from the Underground* Fyodor Dostoyevsky,2006 Dostoevsky s underground man is a psychologically tortured poor clerk who muses on his sickness and the detested notions of self interest Scornful of himself and of others he recalls finding love at a brothel but it is a love by his very nature he cannot accept and so debases instead **Reference Guide to Russian Literature** Neil Cornwell,2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public **Dostoevsky** Константин Мочульский,1967 Konstantin Mochulsky s critical biography is in the words of George Gibian the best single work in any language about Dostoevsky s work as a whole Through its close and insightful analysis of individual writings relating them to his personal life and fortunes it provides a sustained account of Dostoevsky s evolution as a novelist Already established as a modern classic in the original Russian and in the French translation this superb book is now available in English **Notes from the Underground** Fyodor Dostoevsky,2009-09-01 Dostoevsky s disturbing and groundbreaking novella appears in this new annotated edition with an Introduction by Charles Guignon and Kevin Aho An analogue of Guignon s widely praised Introduction to his 1993 edition of *The Grand Inquisitor* the editors Introduction places the underground man in the context of European modernity analyzes his inner dynamics in the light of the history of Russian cultural and intellectual life and suggests compelling reasons for our own strange affinity for this nameless man who boldly declares I was rude and took pleasure in being so *Dostoevsky* Joseph

Frank, 2009-10-19 A magnificent one volume abridgement of one of the greatest literary biographies of our time Joseph Frank's award winning five volume Dostoevsky is widely recognized as the best biography of the writer in any language and one of the greatest literary biographies of the past half century Now Frank's monumental 2 500 page work has been skillfully abridged and condensed in this single highly readable volume with a new preface by the author Carefully preserving the original work's acclaimed narrative style and combination of biography intellectual history and literary criticism Dostoevsky A Writer in His Time illuminates the writer's works from his first novel Poor Folk to Crime and Punishment and The Brothers Karamazov by setting them in their personal historical and above all ideological context More than a biography in the usual sense this is a cultural history of nineteenth century Russia providing both a rich picture of the world in which Dostoevsky lived and a major reinterpretation of his life and work *Dostoevsky's Polyphonic Talent* Joe E. Barnhart, 2005 This book illuminates the connectedness of Dostoevsky's literary art with his philosophical and psychological brilliance Two Fyodor Dostoevsky conferences originating at the University of North Texas set the stage for this volume Scholars contributed original papers focusing on how Dostoevsky's literary art and philosophical insights enrich one another Fyodor Dostoevsky wrote and thought polyphonically His polyphonic method is both his special literary technique and his distinctive way of probing theological social and philosophical depths As Bakhtin and Terras suggest all Dostoevsky's major literary inventions from the underground man to the vitriolic Grushenka are products of his ability to listen profoundly to his own characters Like the genius author redactor of 1 and 2 Samuel he reports the heights and depths of human emotion and behavior whether exploring the anatomy of dysfunctional families making the heart soar with Zosima's vision of forgiveness or giving Ivan Karamazov full rein to challenge theism Dostoevsky's characters transform themselves into irregular verbs whose fierce independence emerges only because of their desperate and inescapable interdependence His major characters are text subtext and context for each other They play inside each other's head and answer in one way or another Contemporary Approaches in Literary Trauma Theory M. Balaev, 2014-12-02 This edited collection argues that trauma in literature must be read through a theoretical pluralism that allows for an understanding of trauma's variable representations that include yet move beyond the concept of trauma as pathological and unspeakable The Underground Man Victor Comerchero, California. Department of Corrections, 1966* **Dostoevsky's Underground Man in Russian Literature** Robert Louis Jackson, 1981 This book analyzes the impact of Dostoevsky's Notes from the Underground 1864 and its protagonist the Underground Man upon Russian literature It is concerned with the different ways in which Russian writers responded to Notes from the Underground with the whole complex of underground psychology philosophy and imagery The basic assumption of this work is that the great impact of Dostoevsky on Russian literature was due not alone to the great power of his art but to the continuing urgency of the problems he posed in his works These problems centering on the relations between the individual and society have lost none of their relevance today not only in Russia but also in the West

Notes from the Underground (Annotated): Notes from the Underground Fyodor Dostoyevsky, 2021-03-13

The Underground Man our first person narrator begins by telling us how hateful and unattractive he is It seems he s been living underground for 20 years unable to act in any way because he s so intelligent he can debunk any justification for doing so Intelligent men he says can never become anything and he himself is the case in point The Underground Man reveals that he is 40 years old and living in St Petersburg Russia He used to be a civil servant but he inherited some money and retired all the more time for discoursing on his life s many problems Despite his surroundings of mire and filth he sometimes experiences attacks of the sublime and beautiful American Beauty style moments where is taken by the awe inspiring things of the world art philosophy love His narration takes the form of a retort he imagines his reader responding to his absurd claims so he fills in our half of the conversation and then responds in turn His first big argument concerns free will and the laws of nature He chooses 2 2 4 to represent all the laws of reason and asks how we can all be free if we have to accept 2 2 4 even if want it to equal five A normal man a man of action will just accept it but he a man of hyper consciousness cannot Next we move to the subject of suffering Suffering the Underground Man argues is enjoyable particularly when you re conscious of it For instance when he knows he s at rock bottom and has no chance of ever getting better he takes pleasure in that Intentional suffering he later explains has a lot to do with free will and the laws of nature that we ve already mentioned The Underground Man considers that we may someday figure out all the laws of nature and then be able to predict what everyone will do think and want Were this to happen he predicts man would just go mad to escape the determinism If you tell man that he will act according to reason that he will always pursue his best interests he will consciously act against that just because he can Man will cause destruction and chaos to prove that he has free will The Underground Man uses this as a reason to reject the idea of a perfect socialist society referred to as Crystal Palace Free will doesn t allow it and besides he would resent a structure which he couldn t deride He also argues that man loves building things not having a finished product We wouldn t be satisfied with perfection because there would be nothing left to do As Part I draws to a close the Underground Man tells us that he will never have readers his audience will always be imaginary We move into Part II which is made up of the Underground Man s reminiscences back to when he was 24 years old Before the flashbacks start however he complains for a while about Romanticism He dislikes silly cloud gazing romantics from France and Germany To him Russian romantics are a very different sort capable of appreciating the sublime and beautiful but still rooted in reality He seems to fancy himself one of these Russian romantics and often indulges in literary fantasies of the sublime and beautiful Now onto his memories The first story concerns an officer who greatly offended our narrator by taking him by the shoulders and moving him out of the way one night in a tavern The horror The Underground Man harbors his spite for years and plots revenge deciding to bump into the officer intentionally while walking along the Nevsky the major central street in St Petersburg The plotting and planning drags on and when the bump finally goes down the Underground Man gets the worst of

it as the officer doesn't even notice The next story this is another flashback of the young Underground Man involves a going away dinner for an alpha male named Zverkov whom big surprise the Underground Man hates The Underground man invites himself along to the dinner thrown by several mutual friends and makes Notes from the Underground Fyodor Dostoyevsky, Constance Garnett, Murat Ukray, 2014-10-28 Underground The author of the diary and the diary itself are of course imaginary Nevertheless it is clear that such persons as the writer of these notes not only may but positively must exist in our society when we consider the circumstances in the midst of which our society is formed I have tried to expose to the view of the public more distinctly than is commonly done one of the characters of the recent past He is one of the representatives of a generation still living In this fragment entitled Underground this person introduces himself and his views and as it were tries to explain the causes owing to which he has made his appearance and was bound to make his appearance in our midst In the second fragment there are added the actual notes of this person concerning certain events in his life

AUTHOR'S NOTE I I am a sick man I am a spiteful man I am an unattractive man I believe my liver is diseased However I know nothing at all about my disease and do not know for certain what ails me I don't consult a doctor for it and never have though I have a respect for medicine and doctors Besides I am extremely superstitious sufficiently so to respect medicine anyway I am well educated enough not to be superstitious but I am superstitious No I refuse to consult a doctor from spite That you probably will not understand Well I understand it though Of course I can't explain who it is precisely that I am mortifying in this case by my spite I am perfectly well aware that I cannot pay out the doctors by not consulting them I know better than anyone that by all this I am only injuring myself and no one else But still if I don't consult a doctor it is from spite My liver is bad well let it get worse I have been going on like that for a long time twenty years Now I am forty I used to be in the government service but am no longer I was a spiteful official I was rude and took pleasure in being so I did not take bribes you see so I was bound to find a recompense in that at least A poor jest but I will not scratch it out I wrote it thinking it would sound very witty but now that I have seen myself that I only wanted to show off in a despicable way I will not scratch it out on purpose When petitioners used to come for information to the table at which I sat I used to grind my teeth at them and felt intense enjoyment when I succeeded in making anybody unhappy I almost did succeed For the most part they were all timid people of course they were petitioners But of the uppish ones there was one officer in particular I could not endure He simply would not be humble and clanked his sword in a disgusting way I carried on a feud with him for eighteen months over that sword At last I got the better of him He left off clanking it That happened in my youth though But do you know gentlemen what was the chief point about my spite Why the whole point the real sting of it lay in the fact that continually even in the moment of the acutest spleen I was inwardly conscious with shame that I was not only not a spiteful but not even an embittered man that I was simply scaring sparrows at random and amusing myself by it I might foam at the mouth but bring me a doll to play with give me a cup of tea with sugar in it and maybe I should be appeased I might even be genuinely

touched though probably I should grind my teeth at myself afterwards and lie awake at night with shame for months after That was my way

Hegel's Century Jon Stewart,2021-10-28 The remarkable lectures that Hegel gave in Berlin in the 1820s generated an exciting intellectual atmosphere which lasted for decades From the 1830s many students flocked to Berlin to study with people who had studied with Hegel and both his original students such as Feuerbach and Bauer and later arrivals including Kierkegaard Engels Bakunin and Marx evolved into leading nineteenth century thinkers Jon Stewart s panoramic study of Hegel s deep influence upon the nineteenth century in turn reveals what that century contributed to the wider history of philosophy It shows how Hegel s notions of alienation and recognition became the central motifs for the era s thinking how these concepts spilled over into other fields like religion politics literature and drama and how they created a cultural phenomenon so rich and pervasive that it can truly be called Hegel s century This book is required reading for historians of ideas as well as of philosophy
