What Is Passover:

What is Passover? Shari Last,2024-03-11 Learn all about Passover the Jewish festival of freedom in this fun fact filled non fiction guide for kids aged 4 10 Discover the history traditions and foods of the Jewish festival of Passover and find out how it is celebrated today by children just like you Learn the fascinating story of Passover how the Jewish people escaped from an evil king in Ancient Egypt Learn what Jewish people do on Passover including why they hide a piece of matzah in their house and drink four cups of wine Make your own Passover foods including sweet charoset and a multi layer matzah cake Practise your Passover greetings Get creative with some fun passover crafts What is Passover is an informative engaging introduction to the Jewish festival of Passover which is celebrated in March or April With lively easy to read text and beautiful pictures this book will answer all of your child s questions about this holiday Paperback 36 pages 8 5 x 8 5 in 21 x 21 cm *What Is Truth?* Ed Pal,2015-01-09 I was born sixty eight years ago at the age of thirty I began to wonder about the purpose of Life I had many questions in my heart but not answer The creation reveals a great purpose therefore I cannot believe that the Creator of all these wonders did not leave any message I searched through the religions for answers to my questions in vain maybe because the religions are not based on revelations but on questions The religion that doesn t give answers to our questions is not from God but from men Only the True God can give the answers to all our questions Religions traditions and symbols are what deviate people from the Truth I began to write this book because the things that people believe are so absurd and untrue that it stimulated me to write something about it For some reason I feel responsible before the Lord God if I do not do something about it I began to read the Bible for passion I wanted to know who created me I cannot believe in the theory of the evolution because it requires far more faith than to believe in God To believe in God is easy everything leads to Him at the contrary nothing leads to the evolution of the species it was a theory more than two hundred years ago and will be a theory as long this world lasts The Bible besides making people wiser reveals the entire human s story in relation with the Creator from the beginning to the end The story of the Bible starts with the creation and ends with a New Creation It starts with men s kingdom and ends with God s Kingdom Men s kingdom lasted one moment God s Kingdom lasts forever It starts with men s failure and ends with the Savior s success Because man is created in the image of God he thinks that by disobeying he can prove to himself to be independent as God but the Truth reveals otherwise May the Lord God have mercy on us **Bulletins ... Issued to Constituent Societies** National Jewish Welfare Board,1926 **What Is Wrong With the Bible?** Charles Giuliani,2018-07-26 The Bible is the number one best selling book of all time No other literary work in history has ever held so many people captive to its claims It is viewed as God s word an infallible moral guidebook and a timeless provider of hope and comfort But is there really any truth to these views Is the Bible really worthy of all this fanfare This book will reveal the ugly truth that the Bible is not at all what its fans think it to be In fact it is the very antithesis thereof And this book will prove all of this by using the bible itself as its own refuter What Every Christian Needs to Know
