What She Could Not Name:

She Would and She Would Not, Or, The Kind Impostor; Colley Cibber, 1788 *Complete Collection of State Trials*
Francis Hargrave, 1795 **Cobbett's Complete Collection of State Trials and Proceedings for High Treason and
Other Crimes and Misdemeanors from the Earliest Period to the Present Time ...** Thomas Bayly Howell, 1813 **Law
and Ethics for Today's Journalist** Joe Mathewson, 2014-12-18 Law and Ethics for Today's Journalist offers aspiring and
working journalists the practical understanding of law and ethics they must have to succeed at their craft Instead of covering
every nuance of media law for diverse communications majors Mathewson focuses exclusively on what's relevant for
journalists Even though media law and media ethics are closely linked together in daily journalistic practice they are usually
covered in separate volumes Mathewson brings them together in a clear and colourful way that practicing journalists will
find more useful Everything a journalist needs to know about legal protections limitations and risks inherent in workaday
reporting is illustrated with highlights from major court opinions Mathewson advises journalists who must often make ethical
decisions on the spot with no time for the elaborate multi faceted analysis The book assigns to journalists the hard decisions
on ethical questions such as whether to go undercover or otherwise misrepresent themselves in order to get a big story The
ethics chapter precedes the law chapters because ethical standards should underlie a journalist's work at all times There
may be occasions when ethics and law are not parallel thus calling for the journalist to make a personal judgment Law and
Ethics for Today's Journalist is user friendly written in clear direct understandable language on issues that really matter to a
working journalist Supplementary reading of the actual court cases is recommended and links to most cases are provided in
the text The text includes a fine but purposely not exhaustive bibliography listing important and useful legal cases including
instructive appellate and trial court opinions state as well as federal Supreme Court of the State of New York Appellate
Division First Department ,1901 Examination Questions University of Michigan. Law School, 1922 *Roscoe's Digest of
