Richards, Gary J. Bredfeldt, 1998-03-01 Are you a bridge builder Communicating the Scriptures is much like building a bridge However instead of ravines or rivers the teacher must span both cultural boundaries and great gulfs of time between the present and the past of Moses David Jesus and Paul This bridge must reach even further The student must be able to cross both into the past and into his own future God s Word is living and active sharper than any double edged sword Hebrews 4 12 It is contemporary relevant But it is the teacher who has the task of helping the student to see its vast treasures This is no easy task but it can be done through creative Bible teaching Together Richards and Bredfeldt have written a book on bridge building that reveals the following five step process by which Christian educators can construct a bridge across time geography and culture Step I Studying the Bible Develop an understanding of the nature role study and interpretation of the Bible Get the help you need in preparing biblically accurate lesson plans Step II Focusing the Message Learn how to teach for student learning Be guided in the process of translating learning theory into lesson preparation Step III Structuring the Lesson Develop a lesson plan using the HOOK BOOK LOOK TOOK structure Step IV Teaching the Class Learn about the five key principles of teacher effectiveness Discover how these principles can lead to a more dynamic and satisfying teaching experience within various age groups Step V Evaluating the Results Evaluate your own effectiveness by assessing the outcome of your teaching What the Bible Really Teaches Keith Ward, 2004 This prominent theologian adds his contribution to the authority of Scripture debate An impassioned contribution to the debate about the authority of scripture how we read the Bible and how the author believes a fundamentalist reading is unsustainable This book will infuriate many and delight others and will make a valuable contribution to the debate which we plan to join with voices from many corners The book works through a series of Bible passages often cited as proof texts and explores how they can be read and how they are used **Bibliotheca sacra** , 1895 An Explanation of the Assembly's Shorter Catechism Thomas Vincent, 1854 **The 50 Most Important Teachings of the Bible** Jim George, 2015-09-01 What you know about the Bible affects how you live Yet the Bible is a big book where do you begin In 50 Most Important Teachings of the Bible bestselling author Jim George highlights key teachings every believer should know With great clarity and simplicity this book focuses on the most essential elements of the faith with entries such as the Bible is the ultimate
