

A close-up photograph of a white lily flower with dark spots on its petals. A semi-transparent white rectangular box is overlaid on the center of the flower, containing a message. The background is a soft, out-of-focus grey.

You will be remembered  
each day right from the start,  
for the memories that we shared  
forever live within our hearts.

Constructions of Risks to Life in News Media Rakan Alibri, 2026-01-22 Investigates how British newspapers use language to discursively construct different types of risks to life terror attacks earthquakes road accidents and heart attacks

**Life-Destroying Diagrams** Eugenie Brinkema, 2022-01-14 In *Life Destroying Diagrams* Eugenie Brinkema brings the insights of her radical formalism to bear on supremely risky terrain the ethical extremes of horror and love Through close readings of works of film literature and philosophy she explores how diagrams grids charts lists abecedaria toroids tempos patterns colors negative space lengths increments and thresholds attest to formal logics of torture and cruelty violence and finitude friendship and eros debt and care Beginning with a wholesale rethinking of the affect of horror orienting it away from entrenched models of feeling toward impersonal schemes and structures Brinkema moves outward to consider the relation between objects and affects humiliation and metaphysics genre and the general bodily destruction and aesthetic generation geometry and scenography hatred and value love and measurement and ultimately the tensions hazards and speculative promise of formalism itself Replete with etymological meditations performative typography and lyrical digressions *Life Destroying Diagrams* is at once a model of reading without guarantee and a series of generative experiments in the writing of aesthetic theory

**A BLUEPRINT of the DIVINE PLAN** Donald Thomas, 2012-08-14 Why I wrote this book I discovered there are three primary core aspects or attributes of our religions that are right in our face that we are mostly conscience about and certainly aware of but which are constantly overshadowed in our day to day lives because we have been made to overlooked the significance of these aspects Only one of these attributes is preached on a regular basis in our established places of worship the other on occasion and the third hardly at all I have highlighted these three aspects and have tried to explain why they are signifi cant These three aspects are central to God s master plan for mankind I wrote this book to highlight that fact The idea is to give you sound information so that you with a sound foundation based on sound information can design your own personal house of worship as you see fit Who this book is for This book is for those that believe in a higher power those that want to cut to the chase and get to the bare knuckle truth those that believe but don t know exactly what to believe those that seek the truth and those that want to know why as well

*Judicial and Statutory Definitions of Words and Phrases*, 1928

Death and the Afterlife in the New Testament Jaime Clark-Soles, 2006-11-15 Clark Soles began this project in order to answer the question What exactly does the New Testament say about death and afterlife It turns out that it says both more and less than one might hope or expect By more she means that every time the subject of death and what happens after death arises it is clear that the authors interests far exceed answering that single question Their comments emerge from the concerns and experiences of living Christian communities they relate to a larger theological and pastoral agenda and their primary focus remains life on earth and the proper living of it The texts say less than one may hope because no author sets out to answer my question directly There is no systematic theology in the New

Testament regarding death and afterlife Certainly resurrection appears throughout though differently emphasized and interpreted Beyond that the fascinating aspects of the question are in the details of the texts Therefore the appropriate question as it turns out is not What does the New Testament say about death and afterlife but what do various New Testament texts say about it Others have sought to unify the New Testament witness glossing over the individual pictures presented by the New Testament authors Clark Soles revels in the snapshots of the individuals and am less interested in the family photo Clark Soles inquires into the specific language that each author uses regarding death and afterlife She explores anthropology cosmology eschatology and where relevant theology and Christology Finally Clark Soles suggests ways that the stated views function in each situation
