Word Into Silence:

Word Into Silence John Main,1981 To understand Christian truths on a theoretical level is one thing for these truths to become fully alive in our hearts through the infusion of God s love giving us new life and peace is something very different But in the silent saying of our short prayer in the simplicity of concentrating upon God in silence and openness in remaining faithful day by day to our meditation this realization of God in our hearts can become a reality and the reality can gradually flood our whole being enabling our relationships with others to grow in depth and understanding This book is full of helpful advice as well as deep spiritual insight and will serve to guide anyone or any group wishing to grow closer to God through the practice of meditation
